RESULT OF OPERATION AND STATE OF COMPANY'S AFFAIRS

The highlights of the Company's performance are as under:

During the current year of operations, your company has shown a loss as the turnover has increased from Rs 1418.06 Lakhs during F.Y.2016-2017 to Rs 2202.93 Lakhs during F.Y.2017-2018

Company has witnessed a bit of slowdown as global aluminium prices reduced however, on a result company faced losses.

FUTURE PROSPECTS

Our Company based on its experience and its standards, conforms to major specifications and customer requirements. The fortunes of the Aluminum extrusion is closely linked with those of the user industry. The Aluminum industry had been impacted during the year due to a considerable slowdown of the manufacturing sector and particularly the end user companies of aluminum. The industry has faced its most formidable challenge .

Your Company's main business is to manufacture aluminum extrusions, ingots, and billets for varied industries. Your company has seen considerable resilience, grit and determination during the year by taking various initiatives to keep its pace to enlarge the market base and share in particular. And your company is also planning to provide high quality products to our clients and grow our business by leveraging our strengths.

Your company expects that the policies of the new government at the center will use a framework which shall act as a booster to user industries which in turn will be beneficial to your company's fortune. Your company is confident that it will surmount the macro environment obstacles and achieve improved profitability in coming years.

On the horizon we see good days to start again at your Company.
