

CHANDRIMA MERCANTILES LIMITED

NOTE: 1.1 –SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these standalone financial statements. These Policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Basis Of Preparation

(a) Compliance with Ind AS

The Standalone financial statements for the period ended 31st March, 2019 comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

(ii) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of net of returns, trade allowances, rebates, value added taxes, goods and service tax and amounts collected on behalf of third parties.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transactions and the specifics of each arrangement.

The Company recognises revenue when significant risk and rewards pertaining to ownership of goods get transferred from Seller to buyer.

(iii) Cash Flow Statement

The Cash flow statement is prepared in accordance with the Indian Accounting Standard (Ind AS) -7 "Statement of Cash Flows" using the Indirect method for operating Activities.

(iv) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investment with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

(v) Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

(vi) Investment and other Financial Assets

(a) Classification

The Group classifies its financial assets in the measurement categories:

- Those to be measured subsequently at fair value, and
- Those measured at amortised cost.

The Classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will be recorded in profit or loss. For investment in equity instruments, this will depend on whether group has made an irrecoverable election at the time of

initial recognition to account for the equity investment at fair value through other comprehensive income.

(b) Measurement

The Company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

(vii) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in balance sheet where there is legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the assets and settle the liability simultaneously.

(viii) Related Parties

a. There are transactions entered into between related parties as follows:

No	Name of Personnel	Relationship	As at March 31, 2019 (Amount in Rs.)
1	-	-	-

b. Names of related parties and description of relationship:

No.	Name of Key Managerial Personnel	Designation/Relationship
1.	Pooja Kumari	Director
2.	Jinal Y. Modi	Managing Director
3.	Kunal J Mehta	Director

(ix) Provisions

Provisions for legal claims, service warranties, volume discounts and returns are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

The measurement of provision for restructuring includes only direct expenditure arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the company.

(x) Trade and Other Payables

These amounts represent liabilities for goods and services provided to the group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 90 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at the fair value and subsequently measured at amortised cost using the effective interest method.

(xi) Contributed Equity

Equity shares are classified as equity.

(a) Earnings per Share

Basic earnings per share is calculated by dividing:

-the profit attributable to the owners group-by the weighted average number of equity shares outstanding during the year.

(b) Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.
