Chairman's Statement

Gaurav Goel
Chairman and Managing Director

Dear Shareholders,

As we conclude the financial year ended 31st March 2025, I am pleased to present the Annual Report of Logica Infoway Limited (Formerly; Eastern Logica Infoway Limited.). FY25 has been a year of resilience and steady progress, where despite a dynamic and competitive market environment, your Company sustained its momentum and achieved meaningful milestones. By remaining focused on deepening brand partnerships, expanding customer reach, and executing with discipline, we strengthened our operations, delivered sustainable value, and reinforced stakeholder confidence, while laying a solid foundation for future growth.

Total revenue for the year grew by 4.5% to ₹11,149.5 million. Profitability also strengthened, with EBITDA rising 32.8% to ₹267.2 million and Profit After Tax increasing 29.8% to ₹105.1 million. This performance was supported by a healthier business mix, stronger operating leverage, and disciplined cost management.

The Retail Vertical

The retail vertical recorded outstanding growth, with revenue rising 52.4% year-on-year to ₹1,736 million. During the year, we expanded our footprint by adding 30 new stores, including 10 Samsung Experience Stores, bringing the total to 52 stores spread across 31,901 sq. ft. This vertical continues to gain momentum, supported by strong brand partnerships and innovative retail formats.

The Distribution Business

The **Distribution Business** recorded a revenue increase of 4.8%, reaching ₹5,090 million, supported by 13 warehouses and a strong network of over 3,000 retail partners.

The E-Commerce Business

The **E-Commerce Business** grew by 6.5% to ₹2,844 million, driven by strong partnerships with Amazon, Flipkart, and leading OEMs including OnePlus, Realme, HP, and Asus. Fulfilment efficiency during national campaigns remained robust, further strengthening the Company's digital channel capabilities.

The Exports Business

The **Export Business generated revenue of ₹1,479 million** lower than the previous year due to a conscious decision to scale back and reallocate capital towards higher-margin domestic opportunities, particularly in retail.

A key operational milestone during the year was the company-wide implementation of SAP, which has significantly enhanced our ability to manage scale, monitor performance, and drive efficiencies across all verticals.

FY26 Outlook

For FY26 we expect:

- **Total Revenue:** Growth of 8%–16% year-on-year, supported by momentum across all four verticals.
- **Retail:** Anticipated to be the primary growth driver, with expected revenue growth of 50% - 60% year-on-year, alongside an increase in store count from 52 to 100 and expansion of retail space to approximately 60,000 sq. ft.
- **Distribution:** Projected growth of 8%–10% year-on-year; maintaining its foundational role in the Company's revenue mix.
- **E-Commerce:** Expected Growth of 8%–10% year-on-year, supported by rising digital adoption and a broader online product portfolio.
- **Exports:** Forecast Growth of 10%–15% year-on-year, focusing on selective, high-margin opportunities.
- **EBITDA margin** is expected to improve to 2.7%–3.0%, reflecting an enhanced gross margin profile and a higher contribution from the retail vertical.

Long-Term Vision

Over the next four years, we aim to scale our retail network to 500 stores, strengthening our presence in both urban and Tier-2 markets. This expansion, alongside balanced growth across all verticals, will reinforce the Company's position as a preferred distribution and retail partner for global consumer technology brands in India.

On behalf of the Board, I sincerely thank all our stakeholders viz., vendors, clients, employees, lenders, and shareholders for their trust, confidence, and steadfast support to Logica Infoway Limited. Your continued encouragement inspires us to build with a long-term perspective, and we remain committed to delivering sustainable value year after year. We deeply appreciate your unwavering support.

ABOUT COMPANY

Founded in 1995, Logica Infoway Limited has grown into one of India's trusted and established names in IT and telecom solutions, catering to both B2B and B2C segments across the country. Under the leadership of Managing Director, Mr. Gaurav Goel, who brings over three decades of expertise in distribution and retail, the Company has built strong relationships with leading global consumer electronics brands. Through this, Logica Infoway offers a comprehensive portfolio of products, including laptops, IT hardware, peripherals, smartphones, and allied accessories, complemented by software, networking, and security solutions.

With operations spanning West Bengal, Delhi, Uttar Pradesh, and Haryana, the Company has steadily expanded its market presence through a robust network of distribution centres, retail stores, channel partners, e-commerce platforms, and virtual offices. Over the years, this multi-pronged approach has enabled Logica Infoway to consistently scale its reach and ensure accessibility to customers across diverse markets.

The business is structured around four key verticals - Retail, Exports, E-Commerce, and Distribution - providing a well-diversified platform for growth. By securing strategic retail spaces, enhancing customer visibility, and driving operational efficiency, the Company has been able to maintain a steady increase in revenue from operations while also demonstrating sustainable profitability.

Guided by its focus on technology-driven solutions, customer-centric relationships, and disciplined execution, Logica Infoway remains committed to delivering long-term, profitable growth and strengthening its position as a key player in India's evolving electronics and IT ecosystem.

- ▶ Opened 30 new retail stores in FY25, totaling 52 stores.
- ▶ Migrated enterprise systems from Tally ERP to SAP in April 2025, enabling real-time data visibility and scalable business operations.

FINANCIAL SUMMARY

TOTAL REVENUE

In FY25, total revenue stood at ₹11,149.5 million, up 4.5% from ₹10,671.2 million in the previous year.

EBITDA

EBITDA for the year came in at ₹267.2 million, a 32.5 % increase over last year. This improvement was led by better operating leverage and improved contribution margins, particularly in the second half.

EBITDA MARGIN

The EBITDA margin improved by 50 basis points to 2.4% in FY25, up from 1.9% in FY24, driven by a 100 basis point expansion in gross margin. This improvement was primarily attributable to a higher revenue contribution from the retail segment, which operates at superior margins.

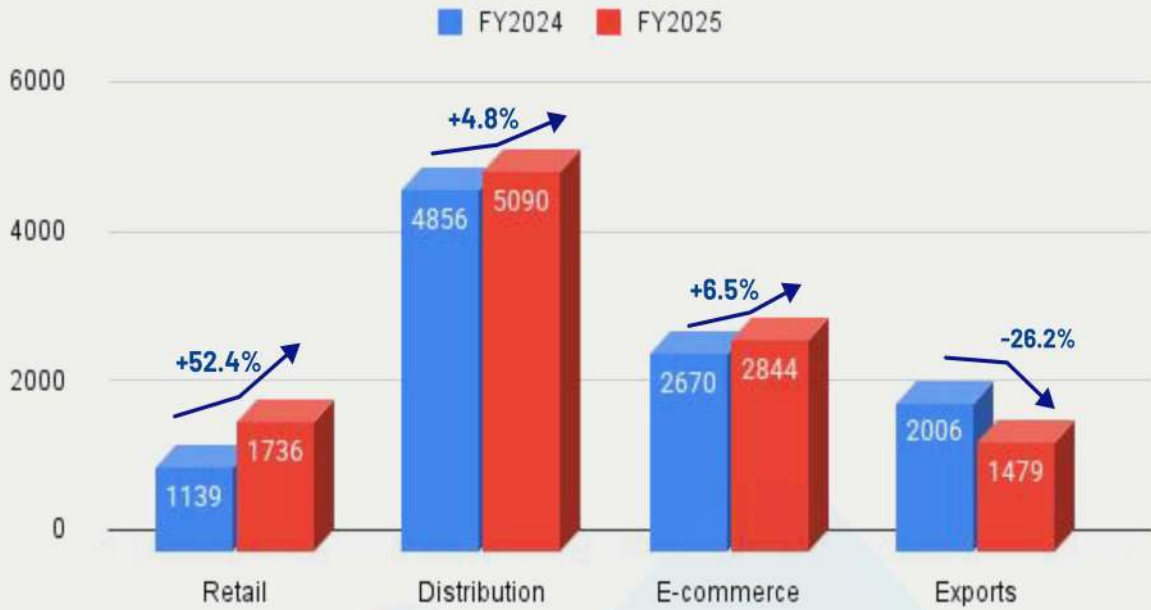

PROFIT AFTER TAX (PAT)

Profit after tax grew by 29.9% to ₹105.1 million in FY25, as the benefits of higher operating income flowed through to the bottom line. The increase also reflects prudent management of finance costs and a stable tax environment.

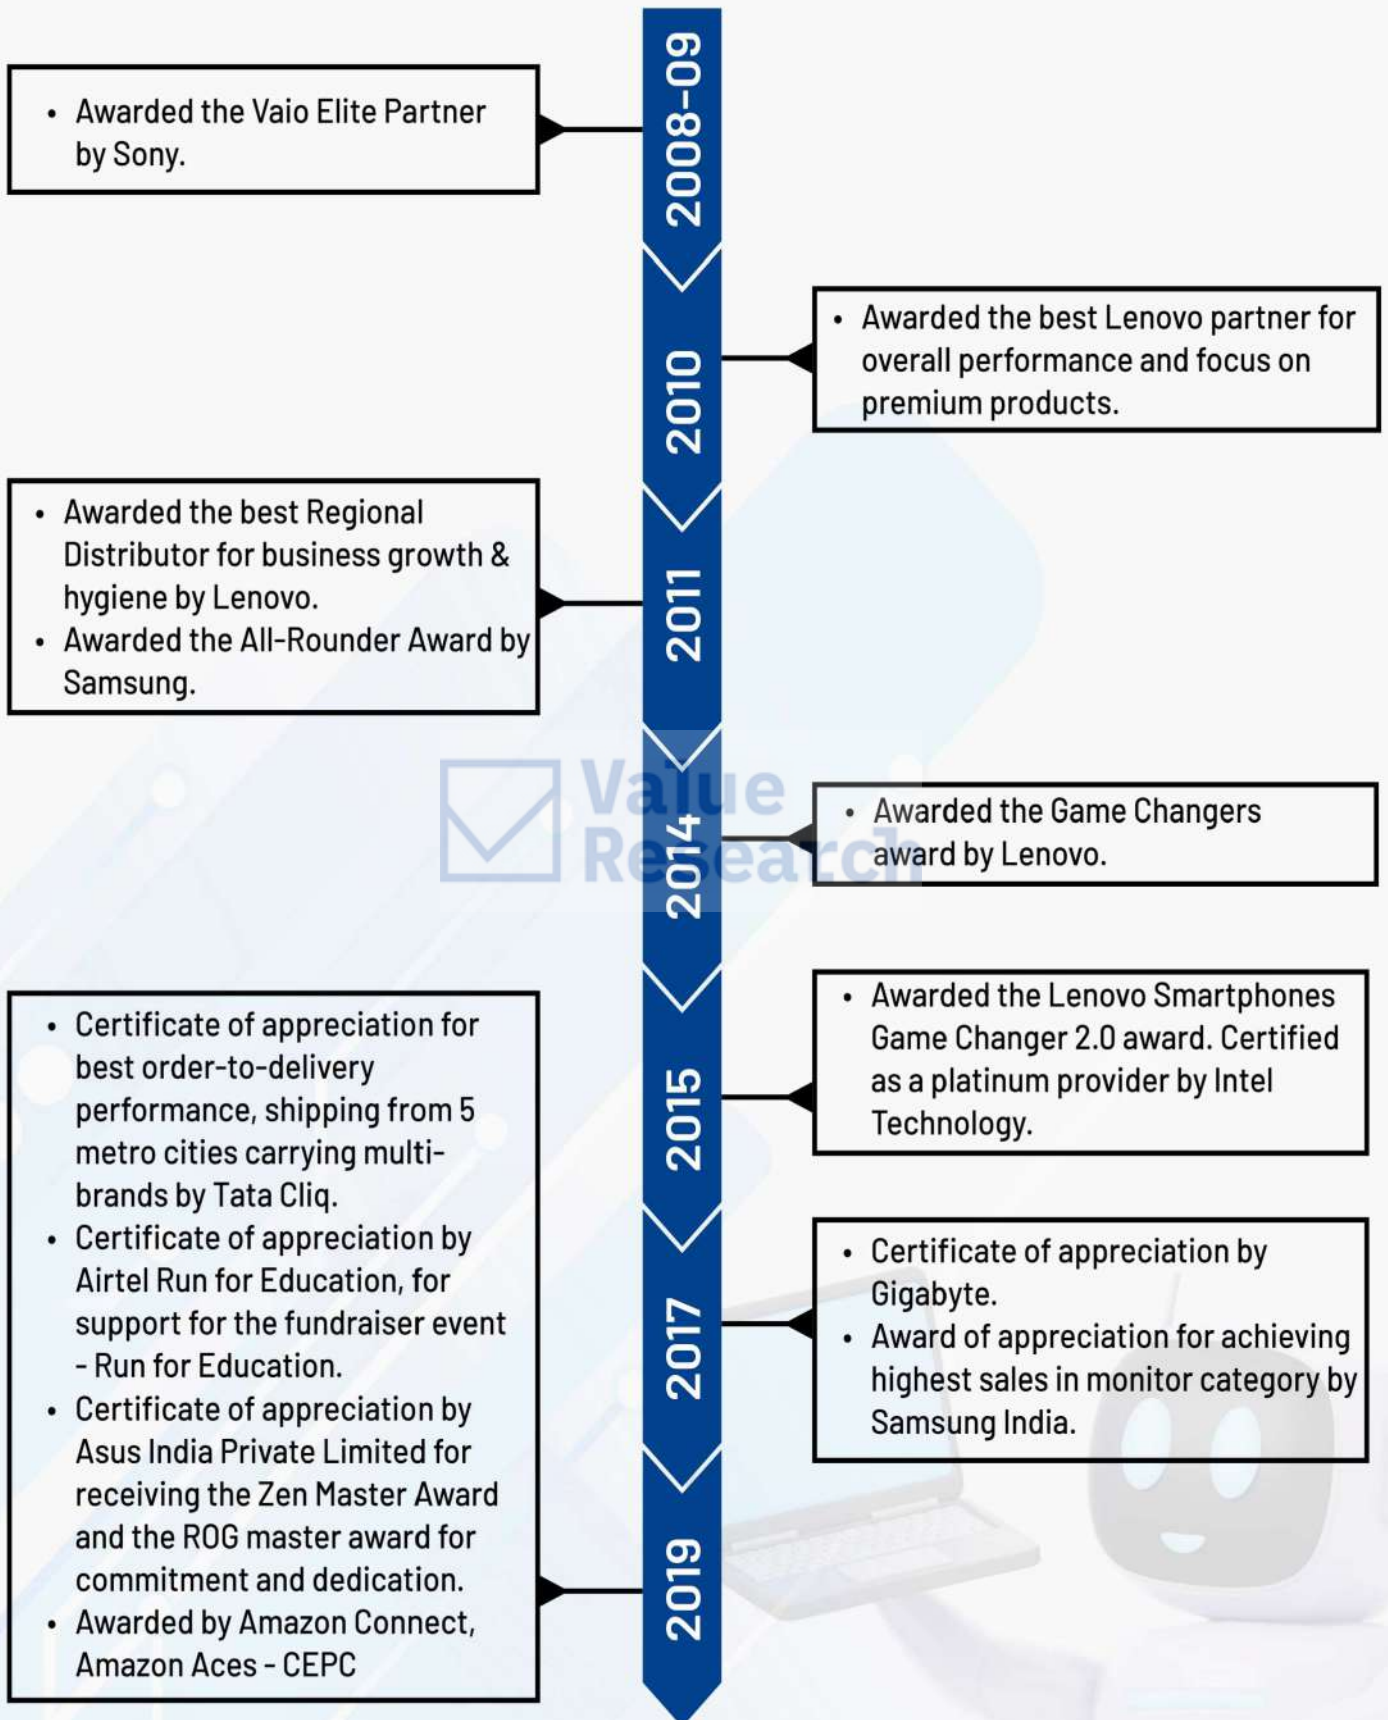

PAT MARGIN

PAT margin saw a slight uptick to 0.9%, from 0.8% in the previous year. While margins remain modest, the improvement is a step in the right direction and reflects the company's disciplined approach to cost and capital allocation.

Our Brand and Channel Partners

SAMSUNG

(Distribution)

During FY 2024-25, Logica Infoway Limited entered into a strategic partnership with Samsung India as a Tier-I National Distributor for West Bengal and the National Capital Region (Delhi NCR). Under this prestigious arrangement, the Company took on the responsibility of supplying Samsung laptops and notebooks directly to Tier-II and Tier-III distributors in these key markets, thereby strengthening its role as a critical link in Samsung's national supply chain.

This development marked a significant milestone in Logica's distribution business, further strengthening its portfolio with one of the world's most respected technology brands. The tie-up enhanced market competitiveness, improved pricing flexibility, and created new growth opportunities within the IT hardware segment.

Through this association, Logica was able to:

- Ensure timely availability of Samsung's latest laptops and notebooks for channel partners in high-demand markets.
- Strengthen customer satisfaction and loyalty through dedicated support and after-sales service.
- Introduce targeted promotions, channel schemes, and incentive programs to drive sales and partner engagement.
- Utilize pan-India network to enhance pricing flexibility, improve working capital, and scale future growth.

The Samsung tie-up has already started contributing positively to Logica's market competitiveness by enabling it to cater to a broader and more diversified customer base. It also positioned the Company as a preferred partner for global technology leaders seeking to expand their penetration in India's rapidly evolving digital ecosystem.

This collaboration supported Logica's strategy of scaling high-growth categories through global brand partnerships. By combining Samsung's brand strength with its distribution expertise, the Company strengthened its leadership and profitability in India's IT hardware and mobility market.

Industry Outlook

India's Smartphone Market: Accelerated Growth & Evolving Distribution Landscape

From \$40.8B in 2022 to \$51.6B by 2025, India's smartphone market has grown at a strong 8.12% CAGR, fueled by rising digital inclusion and rapid smartphone penetration. Going forward, the market is expected to continue expanding to \$88.9B by 2032 at a healthy 8.11% CAGR, backed by increasing upgrades and affordable 5G adoption.

The distribution landscape is evolving—while offline and retail remain significant, online channels are gaining momentum and are expected to lead growth. OEM stores, specialty outlets, and hybrid formats are also contributing to a more dynamic retail ecosystem—offering multiple high-growth avenues for modern mobile retailers.

Industry Outlook

India's IT Hardware Market: A Growing Opportunity

India's IT Hardware market is projected to grow from USD 21.17 billion in 2025 to USD 29.84 billion by 2030, expanding at a CAGR of 7.3%.

This growth is fueled by rising digital adoption across sectors, increased government and enterprise IT spending, and a shift toward hybrid work models. For IT retailers, this presents a robust demand environment across consumer, enterprise, and government segments—offering significant room for expansion in both product categories and regional reach.

India's Smartphone Shipments: Resilient Base, Strong Growth Outlook

India's smartphone shipments declined 8% YoY in Q1 2025, reflecting short-term softness driven by inventory correction and cautious consumer spending. However, the market remains fundamentally strong, with a robust base of over 275 million units expected by 2033, implying a healthy CAGR of 6.6% from current levels.

Industry Outlook

India – Growth Drivers in Smartphone

Affordable Smartphone Demand

India is a price-sensitive market with growing demand for budget-friendly smartphones that offer reliable performance and camera capabilities.

Expansion of Rural and Tier-2 Markets

Rising smartphone penetration in semi-urban and rural areas, aided by improved mobile connectivity and government digital initiatives like Bharat Net.

5G Expansion

The nationwide rollout of 5G is driving consumer upgrades, with a surge in demand for entry- and mid-range 5G smartphones priced under ₹20,000.

Youth-Driven Consumption

A young, tech-savvy population is fueling smartphone sales, especially in gaming, social media, and video consumption categories.

E-commerce and Omnichannel Distribution

Online platforms and retail-tech models are boosting smartphone reach across underserved geographies, supported by easy financing options and trade-in programs.

India – Growth Drivers in IT Hardware Segment

MSME & Startup Digitization:

The rapid formalization and digitization of India's MSME ecosystem are contributing to rising demand for entry-level and mid-tier IT devices.

Government-Led Digitalization Initiatives: Policies like Digital India, Make in India, and the PLI scheme are encouraging local manufacturing of laptops, tablets, and accessories

Educational Sector Demand: The pandemic-led pivot to online education has made digital access essential, creating a long-term base of demand across schools and households.

Local Assembly and Component Ecosystem: Growth in domestic PCB assembly, semiconductor packaging, and display manufacturing is improving margins and shortening supply chains.

Enterprise IT Infrastructure Investment: BFSI, healthcare, and IT/ITES companies are investing in computing infrastructure to enable remote work, cybersecurity, and cloud migration.

Retail Business

Expanding Retail Footprint – Driving Growth from the Ground Up

During FY25, the Company expanded its retail footprint with the addition of 30 new stores, including 10 brand-exclusive Samsung Experience Stores averaging 1,000 sq. ft. each. This growth extended operations to Gurgaon, Noida, Faridabad, Ghaziabad, Moradabad, and multiple Tier-2 cities in West Bengal.

As of 31 March 2025, the network comprised 52 stores across four states, covering a total retail area of 31,901 sq. ft., with 22,878 sq. ft. added during the year. The store portfolio includes Multi-Brand Outlets, HP World stores, and Samsung Experience Stores, serving diverse customer segments.

Retail operations are anchored by exclusive partnerships with global brands such as Samsung, HP, Vivo, and Realme, backed by direct billing arrangements and differentiated store formats. The migration to SAP Business One in April 2025 further strengthened operational control, enabling real-time inventory tracking, performance monitoring, and data-led decision-making.

The retail business remains a core growth engine, contributing significantly to the Company's position in India's consumer technology distribution landscape.

BEYOND DIGITAL

(THE IRREPLACEABLE HUMAN TOUCH)

Why Brick-and-Mortar Still Matters

Despite the rapid growth of digital commerce, physical retail stores continue to deliver unique value that online platforms simply cannot replicate. At the core of this resilience are five key strengths:

Personalized Service & Trust: In-store staff offer tailored advice and build customer relationships that foster long-term loyalty and confidence in purchase decisions.

Seamless After-Sales Support: Customers enjoy the assurance of immediate help, returns, and service without the delay or complexity often associated with online support.

Tangible Experience & Marketing: Being able to physically interact with products allows customers to evaluate quality, features, and usability—something no digital image or video can fully convey.

Flexible Financing Options: Physical stores can offer instant financing approvals, multiple schemes, and personalized solutions that cater to diverse customer needs on the spot.

Extensive Product Assortment: A curated, readily available product mix at retail locations offers customers both variety and immediacy, encouraging walk-in purchases and discovery.

OTHER VERTICALS

DISTRIBUTION

Distribution: Engine Powering Scalable Growth

Our distribution business is on track to close FY25 at ₹5090 Mn, with a clear growth path. This momentum is driven by our expanding Tier-I and Tier-II partnerships with global brands including HP, Samsung, Dell, Asus, Lenovo, Infinix, and Brother.

In FY25, we were appointed as a Tier-I distributor for Samsung Note PCs across West Bengal, Delhi, Uttar Pradesh, and Haryana, and for Brother printers in West Bengal. We also secured exclusive distribution rights for Infinix in Gurgaon, covering smartphones, wearables, tablets, and TVs.

We currently operate across 11 states, supported by 13 warehouses, and service a network of 3,000+ retail partners. Our operational strength lies in a deep regional footprint across North and East India, and the ability to deliver at scale with efficiency.

Distribution Revenue

E-COMMERCE

Scaling Digital Commerce: Our E-Commerce Edge

Our e-commerce business delivered ₹2844 Mn in revenue in FY25, driven by expanded brand alignments, improved fulfillment capabilities, and deeper integration with national marketplaces.

In FY25, we maintained strong partnerships with leading platforms including Amazon and Flipkart, actively participating in key national events such as Big Billion Days, Great Republic Day, and Prime Day. Our performance during these events has reinforced Logica's position as a reliable and high-efficiency fulfillment partner.

We continued our strategic alignments with OnePlus and Realme in smartphones and with HP, Asus, and Lenovo in the IT category. Our e-commerce model is centered on category depth, fulfillment speed, and efficient serviceability backed by our 13-warehouse infrastructure.

E-Commerce Revenue

(Rs Mn)

EXPORT

From Volume to Value: Shifting Gears from Export to Domestic Retail Expansion

Our export business, which contributed ₹2006 Mn in FY24, was consciously scaled down to ₹1479 Mn in FY25 as part of a strategic realignment.

While the vertical played a valuable role in expanding our geographic footprint—primarily through smartphone and laptop exports to the Middle East—we have chosen to prioritize high-return, capital-efficient segments like domestic retail.

The export model, though revenue-generating, required higher working capital cycles and offered comparatively lower return on capital employed (ROCE). By reallocating resources towards expanding our retail footprint—where we control customer experience, pricing, and inventory turnover—we are driving long-term value creation with stronger margins and operational control.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND RULES RELATED THERETO:

Pursuant to Section 102 of the Companies Act, 2013 (“the Act”), the following Explanatory Statement sets out all material facts relating to the business mentioned in the Notice:

Item No. 3:

TO PLACE THE PCS CERTIFICATE FROM M/S. NAVAL THAKUR AND ASSOCIATES, PRACTICING COMPANY SECRETARY, DATED JANUARY 15, 2025 CERTIFYING COMPLIANCE WITH THE PROVISIONS OF CHAPTER V – PREFERENTIAL ISSUE OF SEBI (ICDR) REGULATIONS, 2018.

The Members of the Company had, at the Extra-Ordinary General Meeting (“EGM”) held on February 06, 2025, approved the preferential issue of shares. In terms of Regulation 163(2) of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 (“ICDR Regulations”), a certificate from a Practicing Company Secretary (“PCS”) certifying compliance with the applicable provisions of the ICDR Regulations is required to be placed before the shareholders at the meeting considering the preferential issue.

The Company had duly obtained the certificate from *M/s. Naval Thakur and Associates, Practicing Company Secretary*, dated January 15, 2025. However, due to an inadvertent oversight, the said certificate was not placed before the Members at the abovementioned EGM.

It may be noted that the certificate was already submitted to BSE Limited as part of the *In-Principle Approval* and *Listing Application* for the preferential issue and is also available on the Company’s website at the following link:

To comply with the requirements in both letter and spirit, the said certificate is now being placed before the Members for their ratification at this Annual General Meeting.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in this resolution. This statement may also be regard as an appropriate disclosure under the Listing Regulations.

The Board recommends the resolution set out in Item No. 3 of the accompanying Notice for approval of the Members as an **Ordinary Resolution**.

Item No. 4:

TO APPROVE THE APPOINTMENT OF SECRETARIAL AUDITORS OF THE COMPANY

Members may note that pursuant to the provisions of Section 204 of the Companies Act, 2013 and relevant rules thereunder, read with Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), every listed company is required to annex with its Board’s Report a Secretarial Audit Report issued by a Practicing Company Secretary.

The Board of Directors of the Company had earlier appointed M/s. Vaskar Das & Associates, Practicing Company Secretaries, Kolkata, as the Secretarial Auditors of the Company for FY 2024-25. They have issued their Secretarial Audit Report, which is annexed to the Board’s Report as part of the Annual Report.

SEBI, vide its notification dated December 12, 2024, amended the Listing Regulations to mandate that the appointment of Secretarial Auditors requires the approval of shareholders, in addition to approval by the

Board of Directors. Further, such Secretarial Auditors must be peer-reviewed company secretaries and free from any disqualifications as specified by SEBI.

In line with the amended requirements, the Board of Directors, at its meeting held on May 30, 2025, based on the recommendation of the Audit Committee, approved the appointment of M/s. Vaskar Das & Associates, Practicing Company Secretaries, Kolkata (Mem. No. 9311 & PCS No. 4467) as the Secretarial Auditors of the Company for a first term of five consecutive financial years commencing from FY 2025-26 to FY 2029-30, subject to the approval of the Members.

M/s. Vaskar Das & Associates, led by Mr. Vaskar Das (FCS, PCS), has been in full-time practice as a Company Secretary since 2001, providing services in corporate law, due diligence, secretarial audits, and compliance management. The firm has handled assignments for reputed companies including Howrah Mills Ltd., Bharat Jute Ltd., Maithan Ispat Ltd., Danieli India Ltd., Sika India Pvt. Ltd., GTPL, and Logica Infoway Ltd. Mr. Das brings over three decades of professional experience, having previously served in senior finance and secretarial roles with Burn Standard Co. Ltd., AMRI, and Skol Breweries Ltd. The firm has extensive experience in conducting secretarial audits, handling NCLT/IBC matters, and providing statutory certifications under various corporate laws.

M/s. Vaskar Das & Associates has further confirmed that they hold a valid Peer Review Certificate issued by the Institute of Company Secretaries of India, are not disqualified from being appointed as Secretarial Auditors, and have no conflict of interest with the Company.

The remuneration payable for FY 2025-26 is proposed at Rs. 10,000/- (Rupees Ten Thousand Only) plus applicable taxes and reimbursement of out-of-pocket expenses. In addition to the Secretarial Audit, the Company may also obtain from the Secretarial Auditors various certifications required under applicable laws, which will be remunerated separately on mutually agreed terms.

The Board of Directors (or any officer duly authorised by the Board) shall be empowered to alter, vary, or revise the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Secretarial Auditors.

None of the Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the said resolution. This statement may also be regarded as an appropriate disclosure under the Listing Regulations.

The Board recommends the resolution set out in Item No. 4 of the accompanying Notice for approval of the Members as an **Ordinary Resolution**.

Item No. 5:

6. TO APPROVE MATERIAL RELATED PARTY TRANSACTION LIMITS WITH SPECIFIED RELATED PARTIES FOR FY 2025-26

The Securities and Exchange Board of India (“SEBI”), vide its **SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2025** dated March 28, 2025, introduced new provisions relating to Related Party Transactions (“RPTs”), applicable to SME-listed entities with effect from April 1, 2025.

Under the amended framework, a transaction with a related party is considered *material* if the transaction(s), either individually or when aggregated with previous transactions during a financial year, exceed **₹50 Crore or 10% of the annual consolidated turnover of the listed entity**, whichever is lower, based on the last audited financial statements.

Further, SEBI, vide its **Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93** dated **June 26, 2025**, has prescribed “**Industry Standards on minimum information to be provided to the Audit Committee and Shareholders for approval of Related Party Transactions**”, effective from **September 1, 2025**.

Accordingly, listed entities are required to disclose standardized information in their explanatory statement to shareholders while seeking approval for material related party transactions.

In line with the above regulatory framework and considering the business operations of the Company, the Audit Committee at its meeting held on August 29, 2025, reviewed and recommended omnibus approval for certain repetitive RPTs that are in the ordinary course of business and on an arm’s length basis. The Board of Directors, after considering the recommendations of the Audit Committee, approved the proposal, subject to approval by the Members of the Company.

Accordingly, approval of the Members is being sought to enable the Company to enter into transactions/contracts/arrangements with the following Related Parties, up to the limits specified below, during FY 2025-26:

3. COMPLIANCE FRAMEWORK

a. Corporate Governance Report

As a matter of good corporate governance, the Company consistently strives to follow the highest standards of transparency, ethics, and accountability, with a focus on enhancing long-term shareholder value and safeguarding the rights of all stakeholders. However, in terms of Regulation 15(2)(b) read with Regulation 27 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the provisions relating to Corporate Governance are not applicable to the Company as it is listed on the SME Platform.

Accordingly, the Corporate Governance Report does not form part of this Report, though the Company voluntarily upholds strong governance practices across its operations.

b. Business Responsibility and Sustainability Report

The provisions relating to BRSR are not applicable to your Company as it is listed on the SME Platform of BSE. However, the Company remains committed to responsible and sustainable business practices in all its operations.

c. Annual Return

Pursuant to the amendments to Section 134(3)(a) and Section 92 (3) of the Act read with Rule 12 of Companies (Management and Administration) Rules, 2014, the Annual Return (Form MGT-7) for the financial year 2024-2025 will be available on the company's website www.logicainfoway.com once the same is filed with the Registrar of Companies within 60 days from the date of AGM scheduled to be held on Thursday, September 25, 2025.

d. Policy/Vigil Mechanism/Code of Conduct

The Company has in place a Whistle Blower Policy, in compliance with Section 177 of the Companies Act, 2013, establishing a vigil mechanism for Directors and employees to report genuine concerns, including actual or suspected fraud and violations of the Company's Code of Conduct. The mechanism provides adequate safeguards against victimization and also ensures direct access to the Chairperson of the Audit Committee. We confirm that during the financial year 2024-25, no personnel were denied

access to the Audit Committee. The Policy is available on the Company's website at www.logicainfoway.com.

Further, the Board of Directors has adopted a comprehensive Code of Conduct applicable to all Directors and employees in the course of business operations. The Company follows a policy of "Zero Tolerance" towards bribery, corruption, and any form of unethical practices. The Code prescribes standards of professional conduct, integrity in workplace and business dealings, and responsible engagement with stakeholders. It also provides illustrative guidance on expected behaviour and a structured reporting mechanism.

The Code of Conduct has been placed on the Company's website at www.logicainfoway.com. All Board Members and Senior Management Personnel have affirmed compliance with the Code for FY 2024-25, and appropriate training was imparted to the management staff in this regard.

e. Annual Evaluation of performance of the Board

During the year under review, the Company undertook a comprehensive evaluation of the performance of the Board of Directors, its Committees and of each individual Director, including the Chairman, in accordance with the provisions of Section 178(2) of the Companies Act, 2013 and the applicable requirements of Regulations 17, 19 and 25 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The evaluation exercise was carried out in line with the Governance Practices adopted by the Company to ensure effectiveness and accountability in the functioning of the Board.

The process of evaluation was facilitated through a structured questionnaire prepared after taking into consideration the nature of the Company's business, industry requirements and the expectations placed upon the Board. The questionnaire sought responses on various parameters such as attendance and participation in meetings, quality of contribution during deliberations, ability to provide strategic direction and guidance to the Management, and the extent to which Directors bring in perspectives and insights beyond the information shared by the Company's executives. This approach ensured that the assessment covered both quantitative and qualitative aspects of performance.

The Nomination and Remuneration Committee (NRC) assisted the Board in framing and reviewing the evaluation criteria. For the Board and its Committees, the criteria included aspects such as appropriateness of composition, clarity of roles and responsibilities, effectiveness of processes, degree of independence in judgment, and interaction with the Management. The performance of individual Directors, including Independent Directors, was assessed with respect to professional conduct, integrity, knowledge, competency, preparedness for meetings and meaningful contribution to discussions. In the case of the Chairman, specific parameters such as leadership qualities, ability to provide overall guidance to the Board and the Management, and commitment to long-term value creation for stakeholders were also considered.

f. Remuneration & Nomination Policy

The Company has formulated a comprehensive policy for the selection, appointment and remuneration of its Directors, Key Managerial Personnel (KMPs) and Senior Management.

The guiding principles of the Remuneration Policy are:

- To recommend fair and balanced remuneration for Directors, KMPs and Senior Management;
- To align compensation with individual performance, commitment and contribution to the Company's growth;
- To attract, nurture and retain competent talent, ensuring continuity of leadership and long-term value creation for stakeholders.

The Policy has been duly approved by the Board and is hosted on the Company's website at www.logicainfoway.com.

g. Risk Management Policy

Risk management forms an integral part of the Company's overall business strategy. The Board of Directors periodically reviews compliance with risk management policies, monitors risk tolerance levels, evaluates exposure to key risks, and provides strategic oversight to ensure effective risk governance across the organization. The Company continues to strengthen an independent and proactive risk management framework aimed at fostering a culture of accountability and resilience.

Pursuant to Regulation 21 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the constitution of a Risk Management Committee is mandatory only for the top 1000 listed entities. Further, the SEBI (LODR) (Amendment) Regulations, 2024 (effective December 31, 2024) have omitted the earlier requirement that such determination be based on market capitalization as at the end of the immediately preceding financial year. Since the Company does not fall within the top 1000 listed entities, a separate Risk Management Committee has not been constituted. The Audit Committee of the Board oversees and assists in the risk management process.

h. Details in respect of adequacy of internal financial controls with reference to the Financial Statements

In accordance with Section 134 of the Companies Act, 2013 read with Rule 8(5)(viii) of the Companies (Accounts) Rules, 2014, the Company confirms that it has, in all material respects, adequate internal financial controls with reference to financial reporting. These controls were operating effectively as at 31st March, 2025, based on the internal control criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Board of Directors has also put in place various policies and procedures, including the Vigil Mechanism (Whistle Blower) Policy, the Policy on Material Subsidiaries, and other internal governance measures. These frameworks are designed to ensure the orderly and efficient conduct of business, safeguard the Company's assets, prevent and detect frauds and errors, maintain accuracy and completeness of accounting records, and enable the timely preparation of reliable financial information.

i. Code for prohibition of Insider Trading

The Company has adopted a Code of Conduct for Prohibition of Insider Trading in line with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015. The Code regulates trading in the Company's securities by Designated persons and Insiders, requiring prior clearance for transactions and prohibiting dealing in the Company's shares while in possession of Unpublished Price Sensitive Information ("UPSI") or during closure of the trading window.

Further, the Company has formulated and adopted a Code of Conduct for Regulating, Monitoring and Reporting of Trades by Designated Persons, as well as a Policy and Procedures for Inquiry in case of Leak or Suspected Leak of UPSI in compliance with Regulation 9A(5) of the aforesaid SEBI Regulations.

The Board is responsible for implementation of the Code, and all Directors and designated employees have confirmed compliance with the same.

j. Disclosure under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to fostering a safe and respectful work environment, free from sexual harassment, exploitation, or intimidation. In line with the provisions of "The Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013, the Company has adopted an Anti-Sexual Harassment Policy. While the policy primarily addresses the protection of women, it has been framed in a gender-neutral manner to extend its coverage to all employees, including men.

An Internal Complaints Committee (ICC) has been constituted to address complaints of sexual harassment, covering all employees, including permanent, contractual, temporary staff, and trainees. The ICC was reconstituted on May 30, 2025 to ensure continued compliance with the POSH Act, with the updated composition as follows:

Company Secretary and Compliance Officer act as the Secretary to the Committee.

A summary of the sexual harassment complaints received and disposed off during the financial year ending 31st March, 2025 is as follows:

No. of Complaints received	Nil
No. of Complaints disposed off	Nil
No. of cases pending for more than ninety days	Nil

k. Compliance with the Maternity Benefit Act, 1961

The Company hereby confirms that it has complied with all applicable provisions of the Maternity Benefit Act, 1961 during the financial year.

l. Corporate Social Responsibility

Pursuant to Section 135 of the Companies Act, 2013, read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 and Schedule VII of the Act, the net profit of the Company exceeded the threshold of ₹5 crores during FY 2023-24. Consequently, the provisions of Section 135 and the CSR Rules became applicable to the Company in FY 2024-25.

In compliance, the Company implemented its first CSR initiatives with a total expenditure of ₹9.41 lakh, in line with the approved CSR Policy. The CSR Committee, voluntarily constituted by the Board, oversaw the planning, execution, monitoring, and reporting of these activities to ensure adherence to statutory requirements and alignment with the Company's objectives.

During the year, CSR activities were undertaken in areas including education, skill development, vocational training, women empowerment, healthcare, food, and community welfare.

The Annual Report on CSR activities, prepared as required under Rule 8(1) of the CSR Rules, providing an overview of the CSR Policy, composition of the CSR Committee, and highlights of the projects undertaken, is attached as “**Annexure A**” to this report. Details of the Committee's terms of reference and meetings held are provided under Point 4B (iv) of the Governance section.

m. Details of Applications or Proceedings under the Insolvency and Bankruptcy Code, 2016

During the financial year 2024-25, no applications were filed by or against the Company, and there are no proceedings pending under the Insolvency and Bankruptcy Code, 2016.

n. Secretarial Standards

During the year, the Company has complied with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and on General Meetings (SS-2), issued by the Institute of Company Secretaries of India (ICSI) and approved by the Central Government under Section 118(10) of the Companies Act, 2013. The Secretarial Auditors of the Company have also confirmed compliance with the applicable Secretarial Standards in their Audit Report.

o. Transfer to Investor Education and Protection Fund

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to regulation 34(2) (e) of the Securities Exchange Board of India (Listing Obligations & Disclosure requirements) Regulation, 2015 the Board of Directors are hereby presenting the Management Discussion and Analysis report for the Financial Year ended 31st March, 2025.

1. INDUSTRY STRUCTURE & DEVELOPMENT

India sustained its position as the fastest-growing major economy in FY 2024–25, recording GDP growth of around 6.5% (*India Briefing, 2024*), supported by strong domestic demand, policy support, and robust macro fundamentals. The electronics manufacturing sector continued its upward trajectory, with total production estimated at ~₹11.3 lakh crore (US\$135 billion) (*Electronics For You, 2024*), driven largely by mobile phones, IT hardware, consumer electronics, and industrial electronics. Mobile phone manufacturing alone contributed a significant share, with more than 99% of devices sold in India now being produced domestically (*PIB, Aug 2024*), reflecting the success of the Government’s Production-Linked Incentive (PLI) schemes. The sector employs nearly 2.5 million people and remains on track to achieve the US\$300 billion milestone by FY 2025–26 (*Times of India, 2024*).

Parallely, India’s Information Technology (IT) and Business Process Management (BPM) industry remained a cornerstone of the economy, achieving revenues of ~US\$283 billion, of which ~US\$224 billion came from exports (*Wikipedia citing NASSCOM, 2024*). The sector contributes about 7.3% to national GDP and employs over 5.8 million professionals. With increasing digital adoption, innovation in AI, cloud, and cybersecurity, and the growing scale of electronics manufacturing, India is steadily consolidating its position as a global hub for technology, manufacturing, and services.

2. OVERVIEW – FY 2024-25

Market Overview:

- **India – The Rising Global Economic Power**
India continues to be the world’s fastest-growing major economy, with full-year GDP for FY 2024–25 growing by 6.5% - propelled by robust domestic demand, rising investments, and a resilient workforce (*India Briefing, 2024*).
- **Electronics Manufacturing – A Booming Sector**
 - India’s electronics manufacturing industry has experienced remarkable growth – expanding from US\$29 billion in FY 2015 to around US\$101 billion in FY 2023 (*MeitY, 2023*).
 - The Ministry of Electronics & Information Technology projects this industry to reach US\$300 billion by FY 2025–26 (*MeitY, 2023*).
 - As of FY 2024–25, electronics production in India stood at approximately ₹11.3 lakh crore (~US\$135 billion) (*Electronics For You, 2024*).
 - The workforce in electronics manufacturing now numbers around 2.5 million people, underlining its growing role in employment creation (*Times of India, 2024*).
 - Notably, 99.2% of mobile phones used domestically are now manufactured in India (*PIB, Aug 2024*).
- **IT & Technology Services – A Strong Growth Engine**
 - The tech sector - comprising IT, software, and business services - grew to US\$282.6 billion in FY 2024–25, marking a 5.1% year-over-year increase (*NASSCOM, 2024*).

- IT exports were approximately US\$224 billion, while domestic revenue accounted for about US\$58 billion (*NASSCOM, 2024*).
- Overall, the tech industry now contributes around 7.3% of India's GDP (*NASSCOM, 2024*).
- A total of 126,000 new jobs were generated in the sector during FY 2024–25, with the industry's employee base expanding to 5.8 million (*NASSCOM, 2024*).

India's macroeconomic trends and strategic investments underline its growth trajectory - fueling expansion in both electronics manufacturing and IT services. Together, these sectors are not only strengthening domestic capability but also enhancing India's status as a vital global technology and manufacturing hub.

Company Overview:

In FY 2024-25, the Company strengthened its retail presence by opening 30 new stores, including 10 brand-exclusive Samsung Experience Stores. Operations were expanded into Gurgaon, Noida, Faridabad, Ghaziabad, Moradabad, and several Tier-2 cities across West Bengal, further enhancing our geographical reach. With these additions, the total store count increased to 52 as of March 31, 2025, covering 31,901 sq. ft. of retail space. During the year, the Company was also recognized by leading brand partners for excellence in retail experience, strong sell-through performance, and efficient store operations.

Alongside retail expansion, the Company reinforced its distribution capabilities by being appointed as Tier-1 national distributor for Samsung Notebooks and Laptops across West Bengal, Delhi NCR region; Tier-1 distributor for Brother Printers in West Bengal; and securing a distribution mandate for Infinix covering smartphones, tablets, TVs, audio, and wearables in Gurgaon. The e-commerce vertical continued to scale through B2B fulfillment partnerships with Amazon and Flipkart for flagship events such as Big Billion Days and Prime Day, while maintaining strong alliances with leading OEMs including OnePlus, Realme, HP, Asus, and Lenovo. To further enhance scalability, operational efficiency, and real-time data visibility, the Company successfully upgraded its enterprise backend from Tally ERP to SAP Business One in April 2025.

Management Overview:

FY25 was a year of disciplined execution and strong operating leverage for Logica Infoway Limited. The Company sustained growth across its multi-vertical platform—Retail, Distribution, E-Commerce, and Exports—by focusing on capital efficiency, deepening OEM partnerships, upgrading infrastructure, and strengthening its retail footprint. These efforts enabled profitable growth despite a dynamic and competitive market environment.

- Revenue stood at ₹11,149.5 million in FY25, up by 4.5% from ₹10,671.1 million in FY24.
- EBITDA increased by 32.5% to ₹267.2 million in FY25 from ₹201.7 million in FY24.
- Profit After Tax (PAT) grew by 29.9% to ₹105.1 million in FY25 from ₹81 million in FY24.
- EBITDA margin improved by 50 basis points to 2.4%, driven by a higher contribution from the retail segment.
- PAT margin also improved marginally to 0.9%.

3. KEY OPERATIONAL VERTICALS

• Expanding Retail Footprint – Driving Growth from the Ground Up

The retail business delivered strong momentum in FY25, with revenue increasing by 84% to ₹1,736 million, compared to ₹946 million in FY24. This growth was driven by the addition of 30

new retail stores during the year, including 10 Samsung Experience Stores. As of March 31, 2025, the Company operated 52 outlets across 31,901 sq. ft. of retail space, spread across West Bengal, Delhi, Uttar Pradesh, and Haryana.

The Company's format mix - including HP World, Samsung Cafes, and Multi-Brand Outlets - enabled it to serve a broad customer base with focused brand alignment. Backend retail operations were fully migrated to SAP Business One in April 2024, enabling real-time inventory control, stronger demand-performance tracking, and sharper execution. Retail emerged as the Company's key margin driver, supported by favorable unit economics, exclusive billing arrangements, and improved footfall conversion.

- **Distribution – Engine Powering Scalable Growth**

The distribution vertical reported revenue of ₹5090 million in FY25, up 5.8% from ₹4,750 million in FY24. Growth was driven by continued strength in Tier-I partnerships with global OEMs such as HP, Samsung, Dell, Lenovo, Asus, Brother, and Infinix.

The Company operated across 11 states, supported by 13 warehouses and a channel network of over 3,000 retail partners. Operations efficiency was enhanced through deeper inventory integration and SAP-led automation, enabling faster order processing and better delivery compliance nationwide. Distribution remained the foundation of scale and reach for the Company, enabling nationwide coverage and sustained contribution to overall growth.

- **Scaling Digital Commerce – Our E-Commerce Edge**

E-Commerce revenue reached ₹2,844 million in FY25, reflecting a 6.9% increase over ₹2,661 million in FY24. The business continued to perform as a focused and digital fulfillment partner during national campaigns such as Big Billion Days, Great Republic Day, and Prime Day.

Logica maintained strong brand partnerships with Amazon, Flipkart, Oppo, iQoo, Realme, HP, Asus, and Lenovo. Its 13-warehouses infrastructure backed efficient picking and shipping across diverse product categories. SAP integration enhanced backend tracking and optimized order flow, strengthening Logica's position as a trusted, high-efficiency e-commerce operator.

- **From Volume to Value – Shifting Gears from Export to Domestic Retail Expansion**

Exports revenue stood at ₹1,479 million in FY25, compared to ₹2,006 million in FY24, registering a decline of 26.3%. This reduction was a result of strategic reallocation of capital from low-margin export opportunities to retail-driven, margin-accretive businesses in India.

The Company prioritized expansion in domestic high-growth markets—particularly in North and East India—through increased retail store openings and deeper local partnerships. Export remained an opportunistic play with selective, high-margin categories such as laptops, accessories, and premium electronics. Improved ROCE propelled a more efficient allocation of resources, with greater emphasis on profitability and scale-driven expansion.

- **Strong Financial Performance – Margin Inflection Achieved**

- Revenue for the year stood at ₹11,149.5 million, up 4.5% over the previous year.
- EBITDA increased by 32.5% to ₹267.2 million, with EBITDA margin improving by 50 basis points to 2.4%.
- Profit After Tax rose by 29.9% to ₹105.1 million, with PAT margin increasing from 0.8% to 0.9%.

The improvement was driven by a favorable mix shift toward the retail segment, scale-driven operating leverage, and prudent cost management.

4. OPPORTUNITIES

a. Strong Leadership and Management Expertise

Our experienced leadership team, supported by a capable senior management cadre, continues to drive the Company's growth by combining strategic vision with operational excellence. Their deep understanding of consumer behavior, market trends, and business dynamics has enabled us to create a customer-centric culture, delivering consistently high-quality service and fostering long-term loyalty.

b. Expanding Footprint and Strategic Presence

The Company has strategically extended its presence across multiple cities, leveraging a mix of physical retail stores, distribution hubs, and digital platforms. This expansive network allows us to reach diverse customer segments effectively and provides a solid foundation for scaling our operations in emerging and high-potential markets.

c. Strong Brand Partnerships and Operational Scale

Our longstanding relationships with leading global and domestic brands in mobile, IT hardware, and allied products empower us to offer a wide portfolio of products. These partnerships, combined with our scale of operations, enhance our bargaining power, optimize costs, and support superior margins. Additionally, our brand recognition and widespread customer access strengthen our market position, enabling steady and sustainable growth.

d. Advanced Customer Support and Fulfillment Capabilities

We prioritize end-to-end customer satisfaction through dedicated support teams, regional language assistance, and streamlined after-sales services. Efficient supply chain management, robust distribution networks, and real-time tracking systems ensure timely delivery and installation, while keeping operational costs under control.

e. Leveraging Digital Channels and Financing Solutions

Our active engagement in e-commerce platforms, combined with flexible consumer financing options such as EMI plans, card-based payments, and fintech collaborations, provides additional avenues to attract and retain customers, expand market reach, and increase sales velocity.

5. THREATS

a. External Threats

Global economic, political, and social developments pose potential threats to the Company's business operations, cost structure, and the market price of its equity shares. Uncontrollable factors such as shifts in interest rates, economic growth trends, fiscal and monetary policies, regulatory changes, inflation or deflation, foreign exchange fluctuations, consumer credit availability, debt levels, and unemployment patterns can significantly influence performance and forecasts. In addition, geopolitical tensions, military conflicts, civil disturbances, and other events affecting consumer confidence, spending, and tourism may further threaten the Company's revenue and results.

b. Operational and Political Disruptions

Civil disturbances, extreme weather events, regional conflicts, and political instability may adversely impact the Company's operations, supply chain, and overall financial performance.

Factors beyond the Company's control, including government policy changes, taxation adjustments, social or ethnic tensions, or other local and national developments, could disrupt business activities and influence revenue and profitability.

c. Natural Calamities and Health Crises

Events such as earthquakes, floods, fires, or other natural disasters could interrupt business operations and negatively affect financial results. Additionally, public health emergencies, including pandemics, may disrupt supply chains, reduce consumer demand, and create operational challenges. The Company's revenue, financial position, and market performance may be materially affected by such occurrences.

d. Security and Geopolitical Threats

Terrorist attacks, civil unrest, acts of violence, or war involving India or other nations could adversely impact financial markets, business operations, and the market price of the Company's equity shares. Such external events could also affect trade, investor sentiment, and the overall economic environment, thereby posing a potential threat to the Company's performance and profitability.

6. RISKS AND CONCERNS

The material risks impacting the Company have been identified based on their significance. While doing so, the following principles were considered:

- Certain risks may appear immaterial on a standalone basis but could become material when viewed in aggregate.
- Some risks may have a qualitative rather than a purely quantitative impact.
- Risks that are currently not material may assume materiality in the future.

a. Geographic concentration of operations

Our stores and distribution network are primarily located in West Bengal, Uttar Pradesh, Haryana, and Delhi NCR. A large part of our revenue is derived from these markets, making our business sensitive to any adverse events—be it economic, political, competitive, or demographic—in these regions. Heightened competitive activity, including aggressive promotions by peers, may erode our market share. The concentration of operations, therefore, increases exposure to regional risks, and any negative developments in these geographies could materially affect our business performance, revenue, and profitability.

b. Dependence on evolving consumer preferences

The retail electronics and IT hardware industry is heavily influenced by rapid shifts in consumer demand and technology trends. Our ability to anticipate, interpret, and respond to these changes is critical. Since we neither manufacture nor design the products we sell, we depend on vendors and OEMs to supply us with market-relevant merchandise. A failure to gauge customer preferences accurately may lead to excess inventory, obsolescence, and weaker brand positioning, ultimately impacting revenue and margins.

c. Competitive intensity

The sector in which we operate is marked by intense competition from organized retailers, local players, and e-commerce platforms. Larger competitors, with stronger financial and marketing muscle, wider product portfolios, and superior distribution networks, may adopt aggressive pricing or targeted promotional strategies, thereby challenging our market share. Additionally, advantages such as better locations, broader geographic presence, or deeper customer engagement

may enable them to compete more effectively. Sustained competitive pressure could limit our growth potential unless we continuously invest in strengthening our value proposition and brand connect.

d. Cyclical nature of consumer demand

The consumer electronics business is inherently cyclical, with demand peaking during festive seasons and new product launches. Our revenues and profitability are, therefore, subject to quarterly fluctuations. Unexpected weakness in demand during peak seasons could result in elevated inventory levels, delayed liquidation of stock, and pressure on margins. Since procurement decisions are often made ahead of demand visibility, any mismatch may have an adverse impact on our operating results.

e. Dependence on information technology systems

The smooth functioning of our operations depends significantly on our IT infrastructure, which manages inventory, sales, and overall business processes. Any disruptions—whether due to system outages, software obsolescence, or downtime at third-party service providers—could impair efficiency and accuracy. Although physical billing procedures exist as a contingency, they carry risks of errors and potential misuse. Further, vulnerabilities such as cyberattacks, unauthorized access, or malware could compromise data security and disrupt operations. While no such incidents have been reported so far, future occurrences could adversely affect our business continuity, reputation, and financial performance.

7. DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

Pursuant to Regulation 34(3) read with Schedule V, Part B (1) of the SEBI (LODR) Regulations, 2015, listed entities are required to disclose key financial ratios for the financial year under review along with an explanation for any change of 25% or more as compared to the immediately preceding financial year.

8. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains a system of internal controls designed to provide reasonable assurance regarding the following:

- Effectiveness and efficiency of operations
- Prevention and detection of frauds and errors
- Effective use of resources
- Adherence to applicable Accounting Standards and policies
- Timely preparation of reliable financial information

Internal controls and governance process are duly reviewed for their adequacy and effectiveness on periodical basis.

The Company has appointed **Punit Pandey & Associates, Chartered Accountants, Kolkata (FRN: 333246E)** to conduct the internal audit whose periodic reports are reviewed by the Audit Committee and Management for bringing about desired improvement wherever necessary.

9. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

At Logica Infoway Limited, our employees remain the cornerstone of our growth and competitive advantage. In FY 2024-25, we focused on attracting skilled talent, enhancing capabilities, and fostering a culture of learning and innovation across all functions. We strengthened our workforce through targeted recruitment, upskilling programs, workshops, and hands-on training, emphasizing technical proficiency, customer engagement, and leadership development. Employee retention and engagement were prioritized through recognition programs, career growth opportunities, mentorship, and digital learning platforms.

Looking forward, we remain committed to empowering employees, encouraging innovation, and sustaining a high-performance workforce that drives the Company's long-term strategic objectives.

10. DISCLOSURE OF ACCOUNTING TREATMENT

In the Preparation of Financial Statements, Company has followed accounting principles generally accepted in India.

11. CAUTIONARY STATEMENT

Statements in this Annual Report, particularly those relating to the Management Discussion and Analysis, including the Company's objectives, projections, estimates, and expectations, may constitute 'forward-looking statements' within the meaning of applicable laws and regulations. These statements are subject to risks and uncertainties, including economic conditions, government regulations and tax policies, political developments, natural disasters, and other factors beyond the Company's control, which may cause actual results to differ materially from those expressed or implied. The Company undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise.

**SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025**

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule
No.9 of the Companies (Appointment and Remuneration Personnel)
Rules, 2014]*

To,
The Members,
LOGICA INFOWAY LIMITED
(Formerly; Eastern Logica Infoway Limited)

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Logica Infoway Limited (Formerly Eastern Logica Infoway Limited)** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made there under;

- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 - **Not applicable to the Company during the Audit period;**

INDEPENDENT AUDITOR'S REPORT

To The Members of **LOGICA INFOWAY LIMITED (Erstwhile EASTERN LOGICA INFOWAY LIMITED)**,

Report on the Audit of the Standalone Financial Statements:**Opinion:**

We have audited the financial statements of **LOGICA INFOWAY LIMITED (Erstwhile EASTERN LOGICA INFOWAY LIMITED)** ("the company"), which comprise the Balance Sheet as of March 31, 2025, and the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit by the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company by the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities by these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management Governance for the Standalone Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 concerning the preparation of these financial statements that give a true and fair view of the financial position, and financial performance of the Company by the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records by the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concerned and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted by SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

As part of an audit by SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work evaluating the results of our work: and (ii)

evaluating the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act 2013, we give in the "Annexure A" statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report agree with the books of accounts.
 - (d) In our opinion the aforesaid financial statements comply with Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015.
 - (e) Based on written representations received from the directors as of March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as of March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) Concerning the adequacy of the internal financial controls over financing reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2025,

has been paid/provided by the Company to its directors by the provisions of Section 197 read with Schedule V to the Act;

- (h) Concerning the other matters to be included in the Auditor's Report by Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer to Note 2.25 to the financial statements.
 - ii) The Company does not have any long-term contracts requiring a provision for material foreseeable losses.
 - iii) The Company does not have any amounts required to be transferred to the Investor Education and Protection Fund.
 - iv)
 - (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced loaned or invested by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement;
 - v) The company has not declared or paid any dividend during the year.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF LOGICA INFOWAY LIMITED (ERSTWHILE EASTERN LOGICA INFOWAY LIMITED) FOR THE YEAR ENDED MARCH 31, 2025

Report on the Internal Financial control under clause (i) of sub-section 3 of section 143 of the Act, 2013 ("the Act")

To the members of Logica Infoway Limited (Erstwhile Eastern Logica Infoway Limited),

We have audited the internal financial controls over the financial reporting of LOGICA INFOWAY LIMITED (Erstwhile Eastern Logica Infoway Limited) ("the Company") as of March 31, 2025, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

R. RAMPURIA & COMPANY

Chartered Accountants

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes by generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements by generally accepted accounting principles and that receipts and expenditures of the company are being made only by authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
