Annexure B to The Independent Auditors Report

Report on the Internal Financial Control under Clause (i) of Sub section 3 of section 143 of the companies Act 2013 (the Act)

We have audited the internal financial control over financial reporting of Auro laboratories Limited (“ the company”) as of 31st March 2018 in conjunction with our audit of the financial statement of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria establish by the Company considering the essential components of the internal control stated in the guidance note on Audit of Internal financial control over financial reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company’s policies the safeguarding of its assets the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Companies Act 2013.

Auditors’ Responsibility

Our Responsibility is to express an opinion on the company’s Internal Financial control over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of Internal Financial control over financial reporting (the Guidance Note”) and the standards on auditing issued by ICAI and deemed to be prescribed under section 143 (10) of the companies act 2013 to the extent applicable to an audit of internal financial control both applicable to an audit of internal financial control and both issued by the institute of chartered accountant of India. That standard and the guidance note required that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial reporting was establish and maintained and if such controls operated effectively in all matters respect.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control systems over financial reporting and their operating effectiveness. Our audit of internal financial control over financial reporting included obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment including the assessment of risk of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my/our audit opinion on the company internal financial control systems over financial reporting.

Meaning of Internal Financial controls over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principal. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transaction and dispositions of the assets of the company; (2) provide reasonable assurance that transaction are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of

unauthorized acquisitions, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Control over financial reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projection of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute Of Chartered Accountants Of India.
