**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

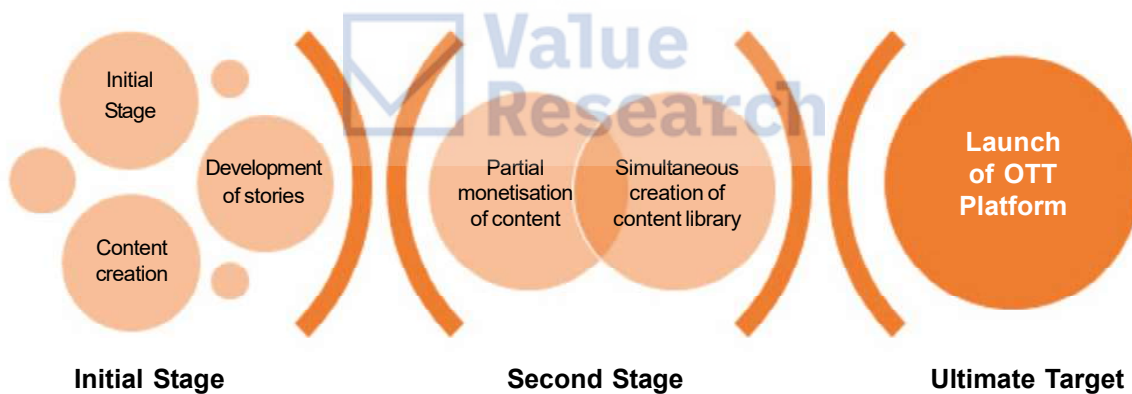

**COMPANY BACKGROUND**

Filmcity Media Limited was incorporated in 1994 as Kavita Prakashan Private Limited. The company started its journey with publishing its own magazine 'Filmcity' which became the number 1 weekly magazine on Hindi Films at that time. The company later diversified into electronic media by setting up a video studio with complete shooting and post production equipment. Over time the company established recognition and relations within the media industry and went on to produce many programmes for Doordarshan National and its local channels, we were also privileged to count Zee TV, Star Plus amongst some private network as our client base. With the gradual decline in the print media sector, and fierce competition in production media faced by the Company from its competitors, the TV programmes produced by the Company could not be telecasted and due to these reasons, the Company faced difficulty to survive in the market.

**MACROECONOMIC AND INDUSTRY OVERVIEW**

The Media and Entertainment industry has undergone a significant transformation over the past decade. The rise of OTT platforms has liberalised content production across short and long form video content formats. These changes can be attributed to advancements in technology, changes in consumer behaviour, and proliferation of smartphones with affordable data. Social media sites have expanded the marketing reach to a large section of audience in effect breaking geographical boundaries. This is further evident from the growth of the India OTT industry from USD 300 million in FY 2014-15 to USD 2 billion in FY 2020-21 registering a CAGR of 46%, further growth is projected to take the industry to USD 15 billion by FY 2029-30 (Source: BCG CII Report 2022). Regional OTT content has also emerged and further changed industry dynamics.

**WAY AHEAD FOR THE COMPANY**

In our outlook last year, we discussed how we intend to start with development of stories and content creation, which can then be partially monetised and simultaneously used as a platform for creation of a content library. The initial and second stage of our business plan will allow to establish a revenue stream from partial monetisation of content and create brand value for our company and content, which will be critical in leveraging the complete revenue model through advertisement revenue, content syndication opportunities etc. Also, constant content creation will help in creation of a content library, which is critical for launching an OTT platform.

The timeline towards our ultimate target of launching an OTT platform will depend, firstly, on the market feedback on the content produced and the simultaneous creation of a content library. Secondly, internal revenue generation through sale of content in addition to any future fund raising will be evaluated at the time of initiation of development of the OTT platform. In this regard, we have taken the initial step towards sourcing and distributing content on contractual basis. Under this model, our team satisfies demands from clients with specific content requirements and source the content from suppliers present in the market. Similarly, we have also started monetising our content inventory to raise internal capital for future growth, which is evident from the profit earned by the company for the Financial Year ended March 31, 2024. The company further intends to follow the model of raising internal capital for its content development, and consequently, the company will also consider raising fresh capital in due course in line with further business opportunities.

A review of the company's performance during the Financial Year 2024-25; the company reported operating revenue/sales of INR 125.10 Lacs and a loss of INR 15.27 Lacs. This is due to the lack of financial resources required by the company for redevelopment of its current content inventory. In this respect, the company has been considering raising funds since its revocation during the financial year. However, with the market conditions not being favourable, this has caused significant delay to the desired fund raise. The company will execute its fund raising as early as possible under favourable market conditions. We believe that with a competent management team in place, and fund infusion, the company will be able to execute its business plan and become a household name like the namesake magazine which captured the hearts and minds of its readers.

### **HUMAN RESOURCES**

Your Company recognises the need of talent and nurturing quality staff as a key to success. We will continue to focus on training and motivation of manpower so as to develop teams of qualified and skilled personnel to effectively discharge their responsibilities in a number of projects and activities. It is, in this context, which we have been working towards promoting the skills and professionalism of our employees to cope with and focus on the challenges of change and growth which is important to the segment your Company operates in.

### **INTERNAL CONTROLS & THEIR ADEQUACY**

The company believes in formulating adequate and effective internal control systems and implementing the same to ensure that the interests of the company are safeguarded and reliability of accounting data and its accuracy are ensured with proper checks and balances. The senior management team meets to address issues like operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulation, at regular frequency to discuss various issues that influence the business and to take strategic decisions. The company has an internal audit system, which submits report to the Chairman of Audit Committee periodically.

### **THREATS RISKS & CONCERNS**

The management of risk does not imply risk elimination but prudent risk management. We can withstand the competition despite an increasing number of new players. Due to industry specific high attrition of key professionals the quality of the productions and their consistency could suffer. There is a risk of sourcing software at reasonable acquisition costs and the rapid changing market can be a threat. Your company's management is proactive to recognise risks & threats and make use of opportunity. Piracy is a major hurdle in our segment. Physical format is diminishing to an extent largely due to this. Besides regulatory frame work, subsidies, taxes and related policy can affect our industry.

### **SIGNIFICANT CHANGES IN KEY RATIOS**

Since, there was no business activity in the Company during the year under review therefore the details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations therefor, could not be provided.

### **CAUTIONARY STATEMENT**

Statements in the Management Discussion and Analysis and the annual report describing the Company's objectives, projections, estimates, expectations may be "forward-looking statements" within the meaning of applicable securities laws and regulations in India and other countries. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting the domestic market, in which the Company operates, changes in the Government regulations, tax laws and other statutes and other incidental factors and unforeseen circumstances.

## INDEPENDENT AUDITOR'S REPORT

To the Members of  
**Filmcity Media Limited**

### Report on the Audit of the Standalone Ind AS Financial Statements

#### Opinion

We have Audited the Standalone Financial Statements of **M/s Filmcity Media Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of Significant Accounting Policies and other Explanatory Information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit (including other comprehensive income), changes in equity and its cash out flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There is no matters to be key financial matter to be communicated in our report.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and Cash Flow Statement of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Emphasis of Matter Paragraphs:

With respect to income tax the company has a certain appeals pending with the appropriate authorities.

Our opinion is not modified in respect of above emphasis of matter paragraphs.

### Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- (g) With respect to the matter to be included in the Auditor's Report under Section 197(16), In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
  - a. The Company does not have any pending litigations (except the litigation as disclosed in Note 28 of the Financial Statements) which would impact its financial position.
  - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- d. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts,
- (i) no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities 'Intermediaries', with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - (ii) no funds have been received by the company from any person(s) or entity(ies), including foreign entities 'Funding Parties', with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (iii) Based on audit procedures carried out by us, that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- e. The Company has not declared or paid any dividends during the year and accordingly reporting on the compliance with section 123 of the Companies Act, 2013 is not applicable for the year under consideration.
- f. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except: (a) for modification, if any, made by certain users having specific access; and (b) that the audit trail, which was enabled at database level in the last month of the financial year, contains only the modified values. During the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with for the period the audit trail was enabled.

- (c) Details of statutory dues referred to in sub-clause (a), which have not been deposited on account of dispute are given below:  
The Hon'ble Bombay High Court approved and sanctioned a Scheme of Amalgamation on 02.05.2009 between Filmcity Communication Technologies Limited (Transferor Company) and Filmcity Media Limited (Transferee Company). Collector of Stamps, Mumbai (ENF-1) issued a Demand Notice dated 11.01.2010 for the payment of Rs. 15,82,000/- towards stamp duty, without providing a detailed working. The company filed an objection against this demand, which was duly acknowledged by the Collector of Stamps on 28.05.2010. Subsequently, another Demand Notice dated 13.02.2025 was received by Filmcity Media Limited, raising the same demand of Rs. 15,82,000/- along with a penalty of Rs. 60,11,600/-. The company has now challenged this demand and moved the Court at Pune.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to banks or financial institutions or any other lender during the year.  
(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.  
(c) In our opinion and according to the information and explanations given to us by the management, no term loans were obtained during the year. Accordingly, this clause is not applicable.  
(d) The Company has not raised funds on short term basis during the year and hence, reporting under clause (ix)(d) of the Order is not applicable.  
(e) The Company does not hold any investment in any subsidiary, associate or joint venture (as defined under Companies Act, 2013) during the year ended 31 March, 2025. Accordingly, this clause is not applicable.  
(f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x) a) According to the information and explanations given to us and based on our examination of the records of the company, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under this clause is not applicable.  
b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.  
(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.  
(c) According to the information and explanations given to us, during the year there are no whistle blower complaints received by the company during the year.
- (xii) The Company is not a Nidhi Company and hence this clause is not applicable.
- (xiii) In our opinion, and according to the information and the explanation given to us, all transactions with the related parties are in accordance with section 177 and 188 of the Companies Act, 2013, and the details of the same has been disclosed in the financial statements as required by the accounting standards.

- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) In our opinion, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions stated in paragraph clause 3 (xvi) of the Order are not applicable to the Company.
- (xvii) The Company has incurred cash losses during the financial year covered by our audit.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, this clause of the Order is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, section 135 of the Companies Act, 2013 is not applicable to the company. Accordingly, this clause is not applicable.

## ANNEXURE - B TO THE AUDITORS' REPORT

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Filmcity Media Limited** ("the Company") as of 31 March, 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were generally operating effectively as at March 31, 2025, subject to notes mentioned in audit report and Annexure 'A' to the audit report, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However, the company has not maintained detailed documentation on Internal Financial Controls or Standard Operating Procedures as recommended by the Guidance note issued by ICAI.

**Notes to Financial Statements as at and for the year ended March 31, 2025**

**1. Significant Accounting Policies**

**1.1 Company Information**

Filmcity Media Limited is a Public Limited Company ("The Company") having Registered Office at A/511, Royal Sands Chs Ltd., Shastri Nagar, Andheri West, Mumbai - 400053. The Company is listed on the BSE Ltd. (Bombay Stock Exchange).

**1.2 Basis for preparation of Accounts:**

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The Financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the Financial Statements. All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The Financial Statements are presented in INR, the functional currency of the Company. Items included in the Financial Statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency'). Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes in these financial statements. The financial statements of the Company for the year ended 31st March, 2025 were approved for issue in accordance with the resolution of the Board of Directors 30th May, 2025.

**1.2 Summary of Significant Accounting Policies**

**a) Current vs Non-Current Classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- ◆ Expected to be realized or intended to be sold or consumed in normal operating cycle
- ◆ Held primarily for the purpose of trading
- ◆ Expected to be realised within twelve months after reporting period, or
- ◆ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- ◆ Expected to be settled in normal operating cycle.
- ◆ Due to be settled within twelve months after reporting period, or
- ◆ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred Tax Assets and Liabilities are classified as Non-current Assets and Liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in Cash and Cash Equivalent. The Company has identified twelve months as its operating cycle.

**b) Use of Estimates and Judgements**

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

**c) Property, Plant & Equipment**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2024, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment. Property, plant & equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. In case of assets acquired in exchange for a non-monetary asset, the cost of such an item of property, plant and equipment is measured at fair value unless (a) the exchange transaction lacks commercial substance or (b) the fair value of neither the asset received nor the asset given up is reliably measurable. All other repair and maintenance costs are recognised in profit or loss as incurred.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

An item of Property, plant and equipment and any significant part initially recognised is de recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is de recognised.

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**d) Depreciation on Property, Plant & Equipment**

Depreciation on Property, Plant & Equipment is calculated on a written down value (WDV) basis using the rates arrived at based on the useful lives estimated by the management which is as per the rates specified in Schedule II to the Companies Act, 2013.

**e) Inventories**

Inventories are valued at the lower of cost or net realizable value.

**f) Revenue Recognition**

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

### g) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

### h) Employee Benefits

Short Term Benefits and post employment benefits are accounted in the period during which the services have been rendered.

### i) Taxation

#### Current Income Tax

Current Income Tax Assets and Liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current Income Tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current Tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current Tax Assets and Liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

#### Deferred Tax

Deferred Tax is provided using the liability method on temporary differences between the tax bases of Assets and Liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred Tax Liabilities are recognised for all taxable temporary differences.

Deferred Tax Assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred Tax Assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of Deferred Tax Assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the Deferred Tax Asset to be utilised. Unrecognised Deferred Tax Assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred Tax Assets and Liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred Tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred Tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred Tax Assets and Deferred Tax Liabilities are offset if a legally enforceable right exists to set off Current Tax Assets against Current Tax Liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**j) Impairment of Non-Financial Assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses, are recognised in the statement of profit and loss.

**k) Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to any provision is presented in the statement of profit or loss, net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as part of finance costs.

**l) Contingent Liability**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

**m) Cash and Cash Equivalents**

Cash and Cash Equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

**n) Investments and other Financial Assets**

**(i) Classification**

The Company classifies its financial assets in the following measurement categories:

- (1) Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) **Those measured at amortised cost.**

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

**(ii) Measurement**

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

**Debt Instruments:** Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

**Amortised Cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair value through Profit and Loss:** Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

**Equity Instruments:** The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss.

### (iii) Impairment of Financial Assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

## o) Earnings Per Share

### Basic Earnings Per Share

Basic Earnings Per Share is calculated by dividing:

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

### Diluted Earnings Per Shares

Diluted Earnings Per Share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

**Market Risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk.

**Credit Risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and deposits to landlords) and from its financing activities. The Company generally doesn't have collateral.

**Trade Receivables and Security Deposits**

Customer credit risk is managed by business through the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of each customer is assessed and credit limits are defined in accordance with this assessment. Outstanding customer receivables and security deposits are regularly monitored.

**Liquidity Risk**

The company's principal source of liquidity is cash and cash equivalents and the cash flow that is generated from operations. The company has no outstanding bank borrowings. Accordingly, no liquidity risk is perceived
