**INDEPENDENT AUDITOR'S REPORT**

Independent Auditor's Report on the Quarterly and Year to Date Audited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To

The Insolvency Resolution Professional (IRP)
RAAMA PAPER MILLS LIMITED (FORMERLY RAMA PAPER MILLS LIMITED)

Report on the Audit of the Financial Statements**Qualified Opinion**

We have audited the accompanying financial statements of RAAMA PAPER MILLS LIMITED (FORMERLY RAMA PAPER MILLS LIMITED) ("the Company"), which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows, the Statement of Changes in Equity for the year then ended, notes to the financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the financial statements).

In our opinion and to the best of our information and according to the explanations given to us, except for possible effects of the matters described in the 'Basis for Qualified Opinion' section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its loss, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

1. Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Basis for Qualified Opinion

- (i) The company has not provided interest of Rs. 444.81 Lakhs from 08/06/2024 to 31/03/2025 payable on 2 secured Inter Corporate Deposit. Company has provided interest on these deposits till date of appointment of IRP i.e. 7th, June, 2024. Had the company provided this interest the Loss for the Year would have increased by Rs.444.81 Lakhs and accumulated losses would have increased by Rs. 444.81 Lakhs (Refer Note 46).
- (ii) No Physical Verification of Property, Plant & Equipment has been carried out during the year effect of this non-physical verification is unascertainable (Refer Note 47).
- (iii) The company has not bifurcated its trade payables into categories such as those due to Micro, Small and Medium Enterprises (MSMEs) and others. This is a non-compliance with the disclosure requirements mandated under Section 22 of the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006 read with Schedule III of the Companies Act, 2013. The company is required to identify and disclose separately the amounts payable to MSMEs to ensure transparency and statutory compliance.
- (iv) Due to this non bifurcation we are unable to comment whether any interest was to be provided on overdue as per the MSME Act Amount unascertainable (Ref Note No 48.1).

- (v) The company has not complied with the requirement to file MSME-1, the half-yearly return mandated under Section 405 of the Companies Act, 2013, as per the Ministry's Order dated 22 January 2019. This form, now further clarified and expanded under the MCA's updated portal (V3), must be filed by companies that engage suppliers registered as Micro or Small Enterprises and delay payments beyond 45 days. The failure to submit MSME-1 for the financial year 2024–25 constitutes a non-compliance under the Companies Act and associated notifications (Ref Note No 48.2).

Material Uncertainty Related To Going Concern

As on 31st March, 2025, the company has accumulated losses of Rs. 6,634.76 lakhs and incurred Net Loss 1644.36 lakhs during the year ended 31st March, 2025 respectively, and as of that date the company's current liabilities exceeded its Total assets by RS. 2905.64 lakhs. The company has negative net worth of Rs. 4500.98 lakhs as on 31st March, 2025. This indicates that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a Going Concern. NCLT vide order dated 07th June, 2024 has appointed the Insolvency Resolution Professional (IRP). IRP has invited Expression of Interest for resolution plan for the company & company's ability to operate as Going Concern depends upon the resolution plans which have been invited. Accordingly, the Financial Results has been prepared on Going Concern Basis.

Our opinion is not modified in respect of this matter.

Please Refer Note No.43.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report thereon

The Board of Directors are suspended as per provisions of the IBC code 2016, who were responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report. Resolution Professional has been appointed by the Adjudicating Authority after petition of Financial Creditors being admitted on 07th June 2022.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above, when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude, that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in

accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process. In the present scenario the Resolution Professional (RP) has been assigned the powers of Board of Directors and is taking care of the financials and management of the company under guidance of COC as formed by Honorable NCLT, Prayagraj, Uttar Pradesh.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of sub-section (11) of Section 143 of the Act, we give in **Annexure Aa** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a. We have sought and except for the matters described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure “A” to Independent Auditors’ Report

Referred to in paragraph 1 of the Independent Auditors’ Report of even date to the members of the RAAMA PAPER MILLS LIMITED (FORMERLY RAMA PAPER MILLS LIMITED) on the Financial Statements as of and for the year ended 31st March 2025

In terms of the information and explanation sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report the following: -

- i) (a) (A). The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment and relevant details of right of use assets.
 - (B). The Company has no intangible assets. Accordingly, clause 3(i) (a) (B) of the Order is not applicable.
- (b) The Property, Plant and Equipment were physically verified during the year by the Management. Hence, we are unable to comment on discrepancies, if any. (Refer Note No.47).
- (c) The title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in the financial statements are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) or intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.
- ii) (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year. No discrepancies of 10% or more in aggregate for each class of inventory were noticed on such physical verification.
- (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, during the year from banks or financial institutions on the basis of security of current assets. Hence, clause 3(ii) (b) of the Order is not applicable.
- iii) The Company has not made any investments in, provided any guarantee or security, and granted any loan or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year & hence reporting under clause 3 (iii) of the order is not applicable.
- iii) The company has not granted any loans, made investments or provided guarantees or securities & hence reporting under clause 3 (iv) of the order is not applicable.
- iv) The company has not granted any loans, made investments or provided guarantees or securities & hence reporting under clause 3 (iv) of the order is not applicable
- v) The Company has not accepted any deposits or amounts which are deemed to be deposit from the public. Hence, clause 3(v) of the Order is not applicable.
- vi) Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

- vii) (a) According to the records of the Company and information and explanations given to us and the records of the Company examined by us, generally the Company has been late in depositing the undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, income tax, Tax Deducted at Source, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were in arrears as at 31st March 2025 for a period of more than six months from the date they became payable except as per details given below:

Name of the Statute	Nature of the Due	₹ (In Lakhs)	Period to which the amount relates

Income Tax Act 1961	INCOME TAX	14.40	F.Y. 2018-19

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March 2025 on account of disputes are given below:

Name of the Statute	Nature of the Due	₹ (In Lakhs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act 1961	MAT	640.47	F.Y.2018-19	Pending rectification with Income Tax Authorities

- viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix) (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has defaulted in repayment of loans or other borrowings or in the payment of interest thereon to lender as per details given below:

Nature of borrowing including debt securities	Name of Lender*	Amount not paid on due date	Whether principal or interest	No of days delay or repaid	Remarks, if any
Secured Inter Corporate Deposit	AMAR UJJALA LTD	Rs.3817.90	Principal & Interest, incl notional interest upto 07/06/2024	Unable to comment due to company under NCLT	Ref Note No.-13
Secured Inter Corporate Deposit	IMPRESSIONS PRINTING & PACKAGING LTD LOAN A/C	Rs. 525.02	Principal & Interest, incl notional interest upto 07/06/2024	Unable to comment due to company under NCLT	Ref Note No.-13

Note:

That the company has not provided cumulative interest from 08/06/2024 to 31/03/2025 of Rs.444.81 Lakhs payable on 2 secured Inter Corporate Deposit. Company has provided interest on these deposits till date of appointment of IRP i.e. 7th, June, 2024. Had the company provided this interest the Loss for the year would have increased by Rs.444.81 Lakhs.

- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the records of the Company examined by us and the information and explanation given to us no term loans have been taken by the company during the year, hence, clause 3(ix) (c) of the Order is not applicable.
- d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) The Company does not have any Associate, Subsidiary or Joint Venture, hence, reporting under clause (ix) (e,) of the order is not applicable.
- f) The Company does not have any Associate, Subsidiary or Joint Venture, hence, reporting under clause (ix) (f) of the order is not applicable.
- x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is applicable.
(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x) (b) of the Order is not applicable.
- xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
© No whistle blower complaints were received by the Company during the year (and up to the date of this report) and hence reporting under clause 3(xi) (c) of the Order is not applicable.
- xii) The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.
- xiii) In our opinion, the Company has complied with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv) (a) In our opinion, though the Company is required to have an internal audit system under section 138 of Companies Act, 2013, it does not have the same established for the year.
(b) Since, No internal Audit has been carried out during the year, we are unable to comment on clause 3 (xiv) (b)
- xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a), (b) and (c) of the Order are not applicable. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi) (d) of the Order is not applicable.
- xvii) The Company has incurred cash losses of Rs.1,274.31 lakhs in financial year 2024-25 and Rs. Rs.1,554.70 lakhs cash losses in the immediately preceding financial year 2023-24.

xviii) There has been no resignation of the statutory auditors of the Company during the year.

xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, we believe that material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

The Company has incurred a loss of ₹ 1,644.36 lakhs during the year ended 31st March 2025, and, as of that date, the Company's accumulated losses amounts to ₹ 6,634.76 lakhs and it has negative net worth of ₹ 4,500.98 lakhs. Further, as of 31st March 2025, the Company's current liabilities exceeded its total assets by ₹ 2,905.64 lakhs. (Refer Material Uncertainty over Going Concern para of our main audit report and Note No.43 of the financial Statements).

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx) In View of losses in previous years, the company is not required to spend money towards Corporate Social Responsibility (CSR) under section 135 of the Act. Hence, 3(xx) of the Order is not applicable for the year.

iv) Based on our audit procedures and according to the information and explanations given to us, during the year the company has not made investments in, provided any guarantee or security to companies, firms, Limited Liability Partnerships or any other parties. During the year the Company has provided loan to company, in respect of which the requisite information is as below:

- a) Based on our audit procedures and according to the information and explanations given to us, the company has provided loan to company.
- (A) The Company has no Subsidiary, Joint venture and Associate. Hence reporting under this clause is not applicable.
- (B) The aggregate amount of loans given during the year, and balance outstanding at the balance sheet date with respect to such loan to party other than above are given below.

(Rs. In Lakhs)				
	Guarantees	Security	Loans	Advances in nature of loans
Aggregate amount granted/ provided during the year				
--Others	NIL	NIL	355.00	NIL
Balance outstanding as at balance sheet date in respect of above cases				
--Others	NIL	NIL	NIL	NIL

b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion, that the terms and conditions of loan given for Rs. 355.00 lakhs (Refer Note No 41.2 of the financial Statements) are prejudicial to the company's interest on account of the fact that the loan given to company is interest free, which is significantly lower than the cost of funds to the company and also lower than the prevailing yield of government security closest to the tenor of the loan. No Loan Agreements have been produced before us for verification. However, as explained to us by the management of company, this loan was repayable on demand. This loan has been fully recovered during the year.

RAAMA PAPER MILLS LIMITED – ANNUAL REPORT 2024-25

NIL lakhs (Refer Note No 41.2 of the financial Statements), no schedule of repayment of principal and payment of interest has been stipulated. Since no schedule of repayment of principal has been stipulated, we are unable to comment on the regularity of repayments or receipts. No Loan Agreements have been produced before us for verification. However, as explained to us by the management of company, this loan was repayable on demand & has been fully recovered during the year.
- d) The agreement for loan was not made available to us for our verification. According to the information and explanations given to us, no schedule of repayment of principal has been stipulated in respect of advance in the nature of loan. In absence of agreement for loan, we are unable to comment on the overdue amount for more than ninety days.
- e) In absence of agreement for loan and advances (balance outstanding as on 31st March 2024, Rs. NIL lakhs (Refer Note No 41.2 of the financial Statements), we are unable to comment whether any loan has fallen due during the year which has been renewed or extended. The loan has been fully recovered during the year.
- f) The Company has granted loan without specifying any terms or period of repayment to Related Parties as defined in clause (76) of section 2 of the Companies Act, 2013. (Refer Note No 41.2 of the financial Statements) The agreement for loan and advances were not made available to us for our verification. According to the information and explanations given to us, by the management of the company, this loan was repayable on demand and interest free.

The Company has not granted loans without specifying any terms or period of repayment to Promoters.

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT**

Referred to in paragraph 2(g) of the Independent Auditors’ Report of even date to the members of RAAMA PAPER MILLS LIMITED (FORMERLY RAMA PAPER MILLS LIMITED) on the financial statements for the year ended 31st March 2025.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to Financial Statements of RAAMA PAPER MILLS LIMITED (FORMERLY RAMA PAPER MILLS LIMITED) (“the Company”) as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management/ RP of the Company are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company’s internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial

**RAAMA PAPER MILLS LIMITED – ANNUAL REPORT 2024-25**

statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system (However Internal Auditors Report, not verified and available)with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the Financial Statements for the year ended March 31, 2024

1. Corporate Information

RAAMA PAPER MILLS LIMITED (Formerly Rama Paper Mills Limited) ("The Company") is a public limited company incorporated in India, listed on the Bombay Stock Exchange. The registered office of the Company is situated at 40th Km Stone, Najibabad Road, Kiratpur, Distt Bijnore, Uttar Pradesh - 246731.

The Company is engaged in the single primary business of manufacturing and sale of "Paper and Paper Products", and has only one reportable segment.

The financial statements for the year ended March 31, 2025 are authorised and approved by the Resolution Professional appointed by the Honourable NCLT, Prayagraj, Uttar Pradesh.

2. Significant accounting policies

2.1 Statement of compliance

The financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions of the Act.

2.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services. Based on the nature of products and the normal time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle.
- It is held primarily for the purpose of being traded,
- It is expected to be realized within 12 months after the reporting date, or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the company's normal operating cycle;
- It is held primarily for the purpose of being traded,
- It is due to be settled within 12 months after the reporting date.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.3 Use of estimates and judgements

The preparation of these financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented.

Actual results may differ from these estimated. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected. In particular, information about significant areas of estimation/ uncertainty and judgements in applying accounting policies that have the most significant effects on the financial statements are included in the respective notes of:

- Recognition and estimation of tax expense including deferred tax
- Estimation of obligations relating to employee benefits: key actuarial assumptions
- Valuation of Inventories
- Fair Value Measurement of financials instruments

ESTIMATION OF UNCERTAINTIES RELATING TO THE GLOBAL HEALTH PANDEMIC FROM COVID-19

In view of the unprecedented COVID-19 pandemic and economic forecasts, the Management has evaluated the impact on its financial results and made appropriate adjustment, wherever required. In assessing the recoverability of its assets including receivables and inventories, the Company has considered internal and external information up to the date of approval of these financial statements including economic forecasts. The Company has performed analysis on the assumptions used and based on current indicators of future economic conditions; the Company expects to recover the carrying amount of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

2.4 Revenue recognition

2.4.1 Measurement of revenue

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentive schemes, if any, as per contracts with customers. Taxes collected from customers on behalf of Government are not treated as Revenue.

2.4.2 Sales of goods

Revenue from sale of goods is recognised when the company satisfies its performance obligation by transferring goods to the customer i.e. when the customer obtains control of the goods.

2.4.3 Interest income

Interest income from a financial asset is recognised using the effective interest rate method.

2.5 Leases

As a lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined company’s incremental borrowing rate.

Short term leases and lease of low value assets

The company has elected not to recognise right-of-use assets and lease liabilities for short- term leases of real estate properties that have a lease term upto 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (‘the functional currency’). The financial statements are presented in Indian rupee (INR), which is the Company’s functional and presentation currency. All amounts are in Rupees lakhs with two decimal points rounded off to the nearest thousands, unless otherwise stated.

Foreign Currency Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

2.7 Employee benefits

2.7.1 Short-term obligations

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled within the operating cycle after the end of the period in which the employees render the related services are recognised in the period in which the related services are rendered and are measured at the undiscounted amount expected to be paid.

2.7.2 Defined Contribution Plans

Company's contribution paid/payable during the year to provident fund and employee state insurance are recognized as an employee benefit expense in the statement of profit and loss. For the Provident Fund Trust administered by the Company, a shortfall in the size of the fund maintained by the trust is additionally provided for in the statement of profit and loss.

2.7.3 Defined benefit plans

The liability recognized in respect of gratuity is the present value of defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuary using the Projected Unit Credit Method. Re-measurement comprising actuarial gains and losses and return on plan assets (excluding net interest) are recognized in the Other Comprehensive Income for the period in which they occur and are not reclassified to profit or loss.

2.8 Income-taxes

Income tax expense represents the sum of the tax currently payable and includes deferred tax. The Income-tax liability is provided in accordance with the provisions of the Income-tax Act, 1961.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Income Taxes are calculated using Balance Sheet Approach, on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are also recognised in other comprehensive income or directly in equity respectively.

2.9 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost of Property, plant and Equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the written-down value method over their estimated useful lives prescribed in Schedule II of the Companies Act, 2013 except for assets costing Rs.5,000 or less, which are depreciated fully in the year of purchase. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its residual value.

The following useful lives are applied:

Asset category	Estimated useful life (in years)
Buildings	
-Freehold Factory Buildings	30 Years
Plant and Equipments	15 Years
Furniture and Fittings	10 Years
Motor Vehicles	08 Years
Office Equipment and Electrical Installation	03-05 Years

2.10 Inventories

Inventories are valued at the lower of cost and net realisable value. The cost is determined as under:

Stores and Spares – First in First Out

Raw materials and stock in trade: Yearly weighted average

Finished Goods and Work in progress: The cost of finished goods and work in progress comprises raw materials, direct labour, other direct costs and appropriate proportion of variable and fixed overhead expenditure. Cost of inventories also includes all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale. Estimated realizable value has been taken as basis for valuation of Inventory lying at floor.

2.11 Provisions and contingencies

Provisions:

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessment of the time value of money and the risks specific to the liability.

Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.12 Financial instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

- The objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test: the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test: the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.
- Cash flow characteristic test: the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets carried at fair value through other comprehensive income (FVTOCI): The Company has equity investments in certain entities which are not held for trading. The Company has elected the fair value through other comprehensive income irrevocable option for all such investments. Dividend on these investments are recognised in profit or loss.

Financial assets carried at fair value through profit or loss (FVTPL): Investment in equity instrument are classified at fair value through profit or loss, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other Comprehensive Income for investments in equity instruments which are not held for trading.

Financial assets that do not meet the amortised cost criteria or fair value through other comprehensive income criteria are measured at fair value through profit or loss. A financial asset that meets the amortised cost criteria or fair value through other comprehensive income criteria may be designated as at fair value through profit or loss upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets and liabilities or recognising the gains or losses on them on different bases.

Financial assets which are fair valued through profit or loss are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit or loss.

FINANCIAL LIABILITIES

Financial liabilities are classified at initial recognition as financial liabilities at fair value through profit or loss, loans and borrowings, and payables, net of directly attributable transaction costs. The Company’s financial liabilities include loans and borrowings including bank overdraft, security deposit received, trade payable, liabilities towards services and other payables.

All Financial Liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the Financial Liabilities is also adjusted. Financial Liabilities are classified as amortised cost.

A Financial Liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. Consequently, write back of unsettled credit balances is done on the previous experience of the management and actual facts of each case and recognised in Other Income. When an existing Financial Liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such as exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.13 Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment. The Company follows ‘Simplified Approach’ for recognition of impairment loss allowance on trade receivables. The application of simplified recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

2.14 Cash and cash equivalents

Cash and cash equivalents includes cash in hand, cheques and drafts in hand, balances with bank and deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.15 Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss for the financial assets which are not measured at fair value through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime expected credit loss.

2.16 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM).

In accordance with Ind AS 108 – “Operating Segments”, the operating segments used to present segment information are identified on the basis of internal reports used by the Company’s Management to allocate resources to the segments and assess their performance. The Managing Director of the Company is the Company’s ‘Chief Operating Decision Maker’ or ‘CODM’

within the meaning of Ind AS 108. Based on CODM evaluation, the Company is engaged in the single primary business of manufacturing and sale of ‘Coated Abrasives’

2.17 Earning Per Share

Basic earning per share is computed by dividing the net income by the weighted average number of shares outstanding during the year. Diluted earning per share is computed using the weighted average number of shares and diluted potential shares, except where the result would be anti-dilutive.

2.18 Dividends

Final dividends on shares are recorded on the date of approval by the shareholders of the Company.

2.19 Exceptional Items

Exceptional items are transactions which due to their size or incidence are separately disclosed to enable a full understanding of the Company’s financial performance. Items which may be considered exceptional are significant restructuring charges and significant disposal of fixed assets.

2.20 Recent Pronouncement

On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1-Presentation of Financial Statements-

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general-purpose financial statements. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors-

This amendment has introduced a definition of ‘accounting estimates’ and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12- Income Taxes-

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company has evaluated the amendment and there is no impact on its standalone financial statement.

Nature and purpose of reserve

i. Capital reserve is Subscribed capital forfeited due to non- receipt of call money treated as Capital reserve.

ii. Securities Premium Reserve

Amount received in excess of face value of the equity & preference shares is recognized in Securities Premium.

iii. Retained Earning

Retained earnings are the profits of the company earned till date less any transfers to general reserve, dividends or any other distributions to shareholder.

iv. Other Comprehensive income

Other components of Equity includes Other Comprehensive Income arising due to investments valued through Other Comprehensive income.

v. Preference Shares

The 6% Non- Cumulative Convertible Preference Shares have :

-The right to receive a fixed preferential dividend at specified rate on the paid up capital.

-The right in a winding up to have the capital paid up on such shares and the arrears, if any, of the said preferential dividend, whether earned or declared, be paid off in priority to any payment of capital on equity shares. However, it shall not confer the right to any further participation in the profits or assets of the Company.

Terms of Redemption:- The company has preference shares having a par value of Rs. 100 per share. Resolution passed by the shareholders of the company at their annual general meeting held on 08.09.2009 to convert the Preference Shares into Equity Shares could not be given effect in absence of in-principle approval from Bombay Stock Exchange, which has been kept in abeyance due to earlier listing issues yet to resolved in SEBI for conversion of equity share application money into equity share capital.

The Company has failed to convert Preference Shares as per the approval of shareholders in the AGM held on 08.09.2009. After elapse of 20 years of issue of Preference shares from the date of first allotment, the company is in process of making application to relevant authority in terms of section 55(3) of the Companies Act, 2013. In view of Losses no preference dividend is declared by the company.

The 14% cumulative redeemable preference shareholders have:-

The right to receive a fixed cumulative preferential dividend at specified rate on the paid up capital. In view of Losses no preference dividend is declared by the company.

-The right to receive arrears of cumulative dividend, if any, whether earned or declared, at the time of redemption of the said shares, and

-The right in a winding up to have the capital paid up on such shares and the arrears, if any, of the said preferential dividend, whether earned or declared, be paid off in priority to any payment of capital on equity shares. However, it shall not confer the right to any further participation in the profits or assets of the Company.

Terms of Redemption:- Preference Shares shall be redeemable at the option of the Board any time not later than five years from the date of allotment and such redemption shall be in accordance to the provisions of the Companies Act 2013. The redemption was due in the year 2019. However, due to inadequacy of profits in the Company, the Company has not been able to redeem the preference shares till date. The Preference Shareholder has filed case under section 138 of Negotiable Instruments Act. The matter is pending before the court.

The Company's borrowings have been contracted at floating rates of interest, which resets at short intervals. Accordingly, the carrying value of such borrowings (including interest accrued but not due) approximates fair value.

* The carrying amounts of trade receivables, trade payables, cash and cash equivalents, investments bank balances other than cash and cash equivalents and other financial assets and liabilities, approximates the fair values, due to their short-term nature. The other non-current financial assets represents security deposits given to various parties, loans and advances to employees and bank deposits (due for maturity after twelve months

from the reporting date), and other non-current financial liabilities, the carrying value of which approximates the fair values as on the reporting date.

Fair Value hierarchy

- Level 1 :** Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market.
- Level 2:** Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly.
- Level 3:** Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are unquoted equity instruments.

Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk - Interest rate
- Price risk - BSE / NSE Index

Risk management framework

Financial risk management within the Company is governed by policies and guidelines approved by the senior management and the Board of Directors. These policies and guidelines cover interest rate risk, credit risk and liquidity risk. Company policies and guidelines also cover areas such as cash management, investment of excess funds and the raising of short and long-term debt. Review of the financial risk is done regularly by the senior management and the Board of Directors.

(i) Credit risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Balance Sheet:

(Rs.in Lakhs)

Particulars	Note	As at March 31, 2025	As at March 31, 2024
Trade receivables	6	27.06	816.93

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Credit risk on cash and cash equivalents is limited as the Company if required generally invests in deposits with scheduled banks.

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Maximum Trade receivables are unsecured and are derived from revenue earned from customers primarily located in India. The Company manages its credit risk through continuous monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivable. The management uses a simplified approach (i.e. based on lifetime ECL) for the purpose of impairment loss allowance. However the Company based upon historical experience determines an impairment allowance for loss on receivables.

The Company's exposure to credit risk for trade receivables is as follows:

(Rs.in Lakhs)

Particulars	Gross carrying amount	
	As at March 31, 2025	As at March 31, 2024
Not due	-	-
1-180 days past due	4.95	426.28

More than 365 days past due	582.42	306.13
	668.80	1,085.03

The Company continuously reviews the credit given and the recoverability of the amounts due. Majority of trade receivables are from the customers with whom the Company has long outstanding satisfactory dealings.

(ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's liquidity management process as monitored by management, includes day to day funding, managed by monitoring cash flows to ensure that requirements is met.

(iii) Market risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The Company's operations are mainly in India and therefore rupee denominated, except import of some raw materials and stores.

Currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

Exposure to currency risk

The Company did not have any exposure to currency risk, as expressed in Indian Rupees, as at March 31, 2025 and March 31, 2024.

Note No 39
Capital management

For the purpose of the Company’s capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the company. The primary objective of the management of the Company’s capital structure is to maintain an efficient mix of debt and equity in order to achieve a low cost of capital, while taking into account the desirability of retaining financial flexibility to pursue business opportunities and adequate access to liquidity to mitigate the effect of unforeseen events on cash flows.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may return capital to shareholders, raise new debt or issue new shares.

The Company monitors capital on the basis of the debt to capital ratio, which is calculated as interest-bearing debts divided by total capital (equity attributable to owners of the company plus interest-bearing debts).
