In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements" section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
Recognition of revenue from sale of goods (as described in Note 3.4 of the Standalone Ind AS financial statements)	
<p>The Company recognizes revenues when control of the goods is transferred to the customer at an amount that reflects the net consideration, which the Company expects to receive for those goods from customers. In determining the sales price, the Company considers the effects of rebates and discounts (variable consideration).</p> <p>The terms of sales arrangements, including the timing of transfer of control, based on the terms of relevant contract and nature of discount and rebates arrangements, create complexities that require judgment in determining sales revenues.</p> <p>Considering the above factors and the risk associated with revenue recognition, we have determined the same to be a key audit matter.</p>	<p>Our audit procedures included, among others the following:</p> <ol style="list-style-type: none"> 1. We read and evaluated the Company's revenue recognition policy and assessed its compliance in terms of Ind AS 115 'Revenue from contracts with customers'. 2. We assessed the design and tested the operating effectiveness of internal controls related to sales and applicable rebates/discounts. 3. We performed test for a sample of individual sales transaction by comparing the underlying sales invoices, sales orders and dispatch documents to assess that revenue is recognized on transfer of control over those goods to the customer. 4. We tested on a sample basis rebates and discount schemes as approved by the management to assess its accounting. For the samples selected, we also compared that the actual rebates and discounts recognized in respect of particular schemes do not exceed their approved amounts. 5. We tested on a sample basis, sales transactions made prior to year-end and post-year end, and checked the period of revenue recognition with reference to underlying documents including customer's confirmation. 6. We read and assessed the relevant disclosures made in the standalone Ind AS financial statements.
Assessment of impairment of Investments in subsidiaries and joint ventures (as described in Note 28 of the standalone Ind AS financial statements)	
<p>The carrying values of the Company's investments in subsidiaries and joint ventures are assessed annually by management for potential indicators of impairment by reference to the requirements under Ind AS 36 "Impairment of Assets". Accordingly, management has identified impairment indicators in respect of one joint venture and certain subsidiaries. As a result, an impairment assessment was required to be performed by the Company by comparing the carrying value of these investments to their recoverable amount to determine whether an impairment was required to be recognised.</p> <p>For the purpose of the above impairment testing, management has determined the value in use and the fair value less costs to sell as applicable. Value in use has been determined by forecasting and discounting future cash flows. Furthermore, the value in use is sensitive to changes in some of the inputs used for forecasting the future cash flows.</p> <p>Accordingly, we identified the assessment of potential impairment of investments in subsidiaries and joint ventures as a key audit matter because impairment assessment involves significant degree of management judgement in determining the key assumptions.</p>	<p>Our audit procedures included, among others the following:</p> <ol style="list-style-type: none"> 1. We have obtained and discussed with management and evaluated the key judgements/assumptions underlying management's assessment of potential indicators of impairment. 2. Where potential indicators of impairment were identified, we evaluated management's impairment assessments and assumptions around the key drivers of the cash flow forecasts, discount rates, expected growth rates and terminal growth rates used by comparison with available financial information including considerations of the audited consolidated financial statements of the subsidiary. 3. We evaluated management estimates used in determination of fair value less costs to sell by consideration of available market and financial information. 4. We also performed sensitivity analysis to determine the impact of changes in the key assumptions, both individually and in aggregate. 5. We involved valuation specialists where considered necessary, to independently assess the assumptions and methodologies used by the Company in computing the recoverable amount. In making this assessment, we also assessed the objectivity, independence and competency of the valuation specialists. 6. We read and assessed the relevant disclosures made in the standalone Ind AS financial statements.

The Company's Board of Directors is responsible for the other information. The other information comprises of the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or

error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
