To  
The Members of  
**Veer Energy & Infrastructure Limited**

**Report on the Audit of the Standalone Financial Statements**

**1. Opinion**

We have audited the standalone financial statements of Veer Energy & Infrastructure Limited ("the Company"), which comprise the balance sheet as at 31st March 2020, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**2. Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**3. Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. There is no Key Audit Matter to be reported.

**Emphasis of Matter**

a. As per note no. 9, Inventories includes the inventory of Power Evacuation Facilities of Rs. 9.45 Crore which is carried since last five years at the same value. The management explained that due to change in tariff and no power purchase policy since 2015 in wind energy sector, it could not be sold, the management expect favorable policy from Gujarat Urja Vikas Nigam Limited (GUVNL) hence carried the inventory at the cost only, as according to them, it can fetch a good price on declaration of the policy. Same way the land for Windfarm of Rs. 7.54 crore is also carried since last five years and it is also carried at the cost price as per the above notion. We are of the opinion that, if, there are no favorable policy as expected by the management, there may be a huge reduction possible in the value of the above inventories, resulting in heavy losses.

b. As per note no. 41 of the accounts “Disclosure on Impact of COVID-19 pandemic on Company, we have gone through the details provided in the notes and of the opinion that considering the nature of the business and size of the company, the disclosure made by the company is proper and the impact on the business operations, revenue, cash flow of the Company for the year has been appropriately assessed by the Company. No adjustment is required to the financial statement for F.Y 2019-20. The accounts are prepared as a going concern and we are of the opinion that the company has properly done it. The effect of pandemic on subsequent year is also disclosed properly, of course it is an estimate only, the full effect cannot be judged as the pandemic risk is still continued and full operation has not started yet. It can be assessed only after 2nd or 3rd quarter of F.Y. 2020-21.

c. As per note no. 42, the Company has adjusted the outstanding debit and credit amount of different Suzlon group companies with past subsidiary Shruti Power Projects Pvt. Ltd. during the year by passing journal entries, it does not have any effect on either profit, loss or operations of the company.

Our opinion is not modified in respect of the above matters.
